

This endorsement is made by the film production team at A,E Productions for the book titled "Seeking Good Attracting Evil."

We hereby endorse "Seeking Good Attracting Evil" for submission to the top five production film companies, including Disney, Sony, Universal, Warner Bros, and Paramount.

Attached to this endorsement are all the necessary materials required for submission, including accurate details for filling out the endorsement form, market segmentation data, marketing evaluation folder with audience profiles, and the front and back cover of the book.

"Seeking Good Attracting Evil" has been carefully evaluated by our team and deemed to possess strong potential for adaptation into a compelling film. We believe that this book holds promise and deserves consideration from the industry's leading production companies.
