

About TEiAM

TEiAM implements safe, inclusive, fun play that gears towards a certain sport of the school season. There is not much time to fit in a child's creative suggestion unless a quick tip to coach for a new game idea. We use the after school time to zero in on our athletes in smaller group settings and this is where the magic happens!

Athletes tap into their creative side through 3D Programming and sketches of invention ideas that they can potentially bring to market. Of course our inventors don't disregard their everyday student duties: homework and self care are just as important. Free play and workshops that interest them are constantly accessible.

TEiAM is all about the school community and your funds go to programming needs, PTA support and our recognition events - Awards night, TEiAM outings, Non competitive game nights.

Mission Statement

Bringing out the inventor in each athlete.

Staffing

TEiAM counselors are a diverse bunch indeed. College and graduate students, seasoned with knowledge mom and dads; USA Coaches, paraprofessionals and teachers- all have experience working with children and are chosen for their enthusiasm and creativity. Together they bring with them years of caring and experience. We take the responsibility of our staff quite seriously and conduct regular staff meetings, assessments, and training sessions.

TEiAM charges \$15 per day! The general program participation rate requires your weekly commitment to the predetermined days of your child's part-time or full-time schedule. I agree to the payment plan chosen in the registration application and authorize TEiAM to charge fees related to this trimester to the credit card institution provided. To secure a space for your child, a yearly registration fee of \$50 must be paid with registration. The first month's payment must be paid in full or in accordance to an agreed upon payment plan prior to the first day of your child attending class. If payment is not made, your child will not be permitted to attend the program. If there is a waiting list for the after school at the time September begins and your payment has not yet been received, your child's spot will be released and he/she will be moved to the bottom of the waiting list. Once the registration fee and the first month has been paid and the first scheduled class has occurred, all fees paid are non-refundable. Credit will not be issued for a child that is absent, including for illness. You can receive a sibling discount of 5%.

Emergency/Drop-In participation is available at \$25 per day. (no commitment)

How To Pay- We will be sending monthly invoices

Policies & Procedures

Attire As weather permits, students will have supervised outdoor play. Please be sure to provide weather appropriate attire for your child. Students enrolled in sports-related activities should bring closed toe shoes and close-fitting clothing that will provide for safe movement. TEiAM expects that students be toilet trained, though we understand accidents do happen. If your child is prone to accidents, please pack his or her backpack with an extra set of clothes in a Ziploc bag.

Electronic Policy- While we understand some students may bring electronics with them to school, students enrolled in TEiAM after school will be strictly prohibited from using them during after school hours. If a child disobeys this policy, any electronics in question will be confiscated until pick up, and the issue will be discussed with the child's guardian.

Snacks & Water- Students will be permitted to have a snack during snack time, though not during the enrichment class. Snacks will not be provided for the first few weeks in September by TEiAM. Parents are encouraged to pack healthy snacks for their child (crackers, fruit, vegetables, etc.) and to provide water bottles that can be refilled throughout the day, which is especially important for students participating in a sports-related enrichment activity. Candy and soda are strongly discouraged.

Homework Time Quiet time will be provided for children who have assigned homework. A program assistant will supervise the homework period, ensuring that children can concentrate on and complete their work independently. This is not a one-on-one tutorial. Children who have not finished by the time their group is ready for enrichment classes will be permitted to attend the enrichment class. Parents are encouraged to review all homework assignments at home.

Daily Pick Up - Children will be dropped off in the cafeteria by classroom teachers, or picked up in their classrooms by the TEiAM counsellors. All children will be signed in each day by the Program staff in the Sign in/Sign Out Log Book. Students' caregivers will be required to sign out their child each day in the Sign in/Sign Out Log Book. All students are required to be picked up by 6 pm or earlier.

Discipline and Behavior Management - TEiAM has adopted the following procedures regarding behavior management. Parents are always welcome to arrange a meeting with the program director to discuss individual needs and concerns. We use a consistent, positive approach including redirection, diversion and separation, always promoting self-discipline. We encourage students to engage in conflict resolution 1. Should inappropriate behavior occur, the concern will be discussed with the students. 2. Should inappropriate behavior continue, a second warning will be given and the parents will be notified in writing. 3. Should inappropriate behavior still continue, a third warning will be given, and the student will be suspended for the following day of class. (Refund will not be given.) 4. Continued behavior problems may result in permanent dismissal. (Refunds will not be given.)

Mandated Reporting As members of TEiAM, it is important that parents are aware of staff responsibility for child safety, as they are mandated reporters. All staff will report suspected child abuse cases to the Program Director. The Program Director will discuss with the Executive Board and a decision will be made by consensus whether to file a report with the state central registry for suspected child maltreatment.
