

Power & Light Student Feedback Form

Students, please give some feedback about the Power & Light presentation in your classroom. Your answers will help us make these presentations even better for your school and others. Thank you!

1. What did you like best about the Power & Light presentation?
2. What was the most important thing that you learned?
3. Did you complete the card with 4 things you can do to bring Light to Githens? Did your class talk later about the things students wrote?
4. Do you imagine your future differently now after understanding your incredible value and power to change your world?
