

# The Center of Light

801 Gilbert St. Durham, NC 27701  
thecenteroflight.org 919.630.9434

## Overview

**The Center of Light** is dedicated to envisioning, training, and releasing young people to make a positive difference in their world. Right now, a student's world may consist of their home, school, neighborhood and extra-curricular activities. They can begin now-right where they are to impact their world and make it a better place. A world changer understands that the choices they make affect not only their life, but the world around them.

## Objectives

### The Center of Light

- Impart value to every student
- Empower students to impart value to others
- Offers strategies on how to make a positive difference in their world, including their school
- Enable students to see themselves as world changers and to begin walking as such

## Operation

**The Center of Light** offers a series of 3 significant workshops specifically written for students in 6-8 grade, but can be adapted to other age groups and audiences. These workshops challenge students at a very strategic time in their development. They teach peer-mentoring and goal setting, empowering them to become world changers. Current workshops: Power & Light™ and Light Up Your World™ aka Born To Shine™ help students discover the truth about their identity and value. It also gives students the skills and tools needed to be a world changer – immediately!

## Outcome

**The Center of Light** helps students and faculty to discern and make choices that will affect their life and the world around them in a positive way. It gets underneath the issues of bullying, low self-esteem, and exposes often incorrect perceptions of themselves and their value in their world.

**Truth vs. Lies**  
**Value vs. Behavior**  
**Discipline vs. Punishment**  
**Identity vs. Labels**  
**Destiny vs. Mediocrity**
