The Waskesiu Heritage Museum

displays the human history of Waskesiu Lake and Prince Albert National Park since its 1928 creation.

We feature an original canvas-roofed shack tent and a replica camp kitchen from the early days in Waskesiu.

Other outdoor exhibits include a fire tower cupola, a portable cabin and shed fondly known as a dog house, a rail cart for portaging a canoe, and wash day equipment. An original log building houses indoor exhibits and displays.
