

Chenango County Youth Advisory Council Phase 1 Application

Phase 1 Application for the Chenango County Youth Advisory Council (CCYAC)

The CCYAC is a council that The Place is facilitating that consists of 10-15 members that will meet monthly to discuss, create and improve youth serving projects within Chenango County. Members will need to commit to serving on the council for a minimum of one year, that includes a monthly meeting that members will decide what days and times work best for them, and a few hours a month outside of our meetings when applicable.

Being a member of the CCYAC will allow our community to make changes and improvements to better serve our youth by hearing and implementing changes from the residents of the county. Other perks of serving on the CCYAC is that it will encourage professional and personal growth to assist you in your future success, you will be able to network and grow your support system and it has the potential for you to stand out on college applications and resumes.

- **Phase 1** Applicants will be notified within 2 business days by the Teen Program Coordinator at The Place if they will be invited to complete Phase 2 of the application process.
- **Phase 2** Application will consist of a few short answer responses as well as a letter of recommendation from someone outside of your immediate family.

Applicants should be in between the ages of 12 and 17 as well as reside in Chenango County. *

Members will be compensated for their participation and hard work by monthly gift cards. **
