

The Charlotte Chorale Presents “250 Years! Happy Birthday, America!” The Charlotte Chorale proudly announces their upcoming concert, “250 Years! Happy Birthday, America!” Prepare for an exciting and emotion-filled experience as The Chorale, under the direction of Dr. William Dederer, takes us “from sea to shining sea” through a collection of inspiring, patriotic songs. The beautiful harmonies in each musical selection will showcase the vocal talents of The Chorale. Audience members will be inspired by the words of Abraham Lincoln in a choral rendition of “The Gettysburg Address”- a piece commissioned by the Charlotte Chorale.

“The essence and beauty of America can be felt through its ideals of freedom, its mountains, its forests, its deserts, its plains, its beaches, its waters, and its people. We hope that our music will provide moments for reflection and gratitude for the magnificence of our great land and the gifts we have been given.” Dr. William B. Dederer, Artistic Director
