Summer SKILL BUILDER Groups

AGES:
5 TO 12

Kids Communication Club: Join a playful group where we will focus on growing understanding (receptive) and talking (expressive) language skills through fun activities and social interactions.

Sensational Kids: Dive into sensory-friendly activities designed to empower your child! Help them manage sensitivities, improve focus, and learn calming techniques. *Ideal for children who seek sensory experiences, struggle with distractions, or feel overwhelmed by their surroundings.*

Fine Motor & Handwriting Group: Enhance hand strength, master pencil control, and elevate handwriting clarity through fun projects and personalized techniques. *Perfect for kids who face challenges with writing, drawing, or cutting.*

Friendship Club/Social Skills Group: Build confidence, make friends, and practice teamwork through engaging activities and games. *Ideal for children who need support with communication, peer interactions, or emotional regulation.*

Crafty Kids: Unlock fine motor, spatial, sequencing, and executive function skills with exciting weekly themed craft adventures!
