IMPORTANT INFORMATION

The State of Maryland sets the fees for Notary Public services at \$4.00 PER signature PER PAGE and the TRAVEL fee base at \$5.00 plus a \$.59 PER MILE, round trip. Based on the information received a price quotation will be issued to the client. Once an agreement is reached, then an appointment will be made. If during the appointment, there are any differences to the agreed upon documents, then prices are subject to change. Also, if for some reason the notarization cannot take place, the client is still responsible for the travel fee plus mileage expense.
