SOLVENTAS
FOUNDATION

We're always looking to expand our impact through meaningful partnerships. If you know of an organization that aligns with our mission and could benefit from collaboration, we'd love to hear from you! Please email info@solventas.org and share your suggestions so we can continue building stronger connections together.

USTA Scholarships!

Solventas has partnered with the United States Tennis Association to provide three scholarships to college students to help further assist in their educational growth and development.

“When I joined NYJTL almost three years ago, it changed my life. NYJTL has helped me develop my tennis skills, character, and academic knowledge. NYJTL shaped me as the person I am today, through its values of inclusion, helping others, and determination.” - Recipient 1

Recipient 1, from New York, is a 4.0 GPA student and NYJTL scholar awarded an \$80,000 scholarship to a college in New York, where they will study Clinical Health Studies/Physical Therapy (BS/DPT). They have completed eight AP courses, earned High Honor Roll distinction, and volunteered at Senior Sunrise Residence and Pro Sports Physical Therapy, crediting NYJTL with shaping their character and academic growth.

USTA Scholarships!

Recipient 2, from Texas, is a student at a college in Texas and a member of the Central Texas Tennis Association. With a 3.4 GPA, they are pursuing a major in Finance while also competing on their college's tennis team. They have been awarded a \$15,000 scholarship (\$5,000 per year for three years), recognizing their hard work and commitment on and off the court. Their journey reflects the balance of academic focus, athletic dedication, and the values of the NJTL network.

“The USTA Foundation scholarship was instrumental in providing relief of the many costs that come with pursuing higher education.

To be completely transparent, juggling classes, working part time as a full time student and making time for extracurricular activities as a commuter was challenging. Commuting is my only option to not accumulate debt, which is a priority for me while completing my degree. Due to the generosity of the USTA Foundation I was able to get a new computer, a parking permit, materials as well as textbooks, and a commuter meal plan.” - Recipient 2

USTA Scholarships!

Recipient 3, from California, is a student-athlete at a college in New Jersey and a member of the Youth Tennis Advantage chapter. With a 3.8 GPA, they are pursuing a degree in Electrical and Computer Engineering while competing on their college's tennis team. They have been awarded a \$2,500 scholarship to support his academic and athletic journey. Their achievements highlight a strong commitment to both excellence in the classroom and dedication on the court.

"As I conclude my third year in college, my undergraduate experience has only improved, thanks in large part to the USTAF Scholarship. It has provided financial stability and the confidence to pursue my passions and embrace activities that bring me happiness. One highlight has been serving as a Residential College Adviser (RCA), where I direct resources, resolve conflicts, and host study breaks for 18 freshmen as they transition to college. This role has deepened my passion for mentorship and giving back—values I first developed through tennis and coaching youth. The USTAF Foundation Scholarship has shaped who I am today, making it possible for me to thrive in college." – Recipient 3

New Partner Organization!

We've recently partnered with In His Hands Children's home in Trinidad, Texas. In His Hands is a non-profit residential facility providing care for up to 20 girls aged 0-17. The home specializes in supporting girls who have experienced neglect, abuse, or homelessness, offering them a safe, stable environment to heal, grow, and thrive. They hope to expand in the future and provide the same safety and support to boys as well.

Volunteering in Dallas!

We're so glad to share that more community members are choosing to volunteer with our foundation! Their generosity, skills, and heart are helping bring our vision to life in meaningful ways. Each new volunteer adds strength to our mission, and together, we're building a brighter future. We're so thankful for their commitment and the difference they're already making.

Charley Update!

In the Q2 newsletter, we spotlighted Charley and how Solventas donated adaptive machinery so she can go on a hunting trip this winter. See below for some pictures of her practicing before the big trip this winter.

How to Donate!

We are grateful for any donation of any value to make a meaningful difference. With your donation through Solventas, we do the research and vetting for you, which ensures that your contribution reaches reputable organizations doing meaningful work in under-resourced communities. 100% of your donation goes directly to supporting our partners and the communities we serve, not a single dollar is used for administrative or overhead costs.

1) Go to solventas.org and click donate

2) Next, type in your information then click the drop down arrow and select which organization you want to donate to
