SUPPORTING THE BRIDGE HOMELESS RECOVERY CENTER OF DALLAS

**SOLVENTAS
FOUNDATION**

The Bridge is a 24/7 homeless recovery center serving hundreds of Dallas neighbors with shelter, healthcare, and individualized support. As the only local shelter offering day services to all adults (no ID required) and on-site care for pets, The Bridge ensures no one has to leave family behind to seek help. This drive helps create stability, safety, and hope for people and the animals they love.
