

Solventas Foundation Newsletter

Our Vision

To support dozens of organizations that have hundreds of volunteers helping thousands of people.

.....

Our Purpose

To make an exponential difference beyond our own resources. Our heartfelt desire is to help others by supporting organizations who focus on under-resourced men, women and children who are in greater need of support. By doing this we will have a greater impact.

.....

Our Mission

In our attempt to be bold, we will encourage all those who wish to be a part of something greater than themselves. This mission is funded through private and corporate donations of capital, services, equipment, and supplies in a network partnership of both domestic and international organizations.

Solventas Foundation- Rebranded

You may remember seeing the name “One5” when referring to the foundation. We have changed our name to Solventas, which carries ideas of solving, liberation, or financial solvency—conveying a theme of bringing resolution, healing, or support to those in need. This renaming better aligns with what the foundation set out to do; serve as many under-resourced individuals as possible.

About Solventas Foundation

Solventas Foundation is a non-profit 501(c)(3) operation that assists any organization that helps men, women, or children who are in need of strengthening their mental, emotional, physical, spiritual and social capacity by providing the resources and leadership required to prosper and be more, do more and love more. By helping organizations that are helping the under-resourced, we will be benefiting ourselves by gaining further insight and empathy into all walks of life.

Partner Organizations

The goal for the Solventas Foundation is to provide support to men, women, and children in order to strengthen their mental, emotional, physical, spiritual and social capacity. In order to do this, we are delighted to partner with a variety of organizations to maximize our reach and serve those in need.

- Hope Faith Ministries
- Sportsmen for Heroes
- Perspectives Academy
- NueHealth Surgical Alliance

We would love to support as many organizations as possible that align with our vision. If you have any nonprofits that you think would be a good match with Solventas, please send a note to info@solventas.org.

Spotlight Story: Our Mission in Action

Each quarter, we feature an individual or organization we've recently supported to share their story and highlight the impact Solventas is making in our community.

In Q2, we partnered with Sportsmen for Heroes and want to share the compelling story of Charley. Charley is a courageous and loving 10-year-old with TAR syndrome, a rare genetic condition that affects her in ways few can imagine. TAR syndrome is characterized by the absence of the radius bone in the forearm, a significantly reduced platelet count, and can also lead to heart defects, dysmorphic features, and petechiae.

Despite these challenges, Charley's spirit is unshakable. Born with shorter arms and living with low platelets, she has never let anything hold her back. Charley has already undergone five major leg surgeries and knows there are more challenges ahead—but her heart, as big as her dreams, keeps her moving forward.

One of Charley's greatest ambitions is to become a Kindergarten teacher, and at home, she's already a loving "mommy figure" to her six siblings. She adores animals, cherishes her baby dolls, and radiates warmth wherever she goes.

Recently, Charley received her very first elk tag—an absolute dream come true in her adventurous, love-filled world. A heartfelt thank you to Sportsman's for Heroes for making this unforgettable journey possible.

From Charley's heart to yours, thank you. Even the smallest of hearts can make the biggest impact.
