

BELOW DECK is truly an authentic tribute show playing YACHT ROCK FAVORITES that features 3 spectacular vocalists who also are extremely entertaining and encourage crowd participation as well as 6 top notch musicians including saxophone and percussion totaling 7 pieces.

We dress stage appropriate and the front line dances in sync while delivering a captivating performance.

Lastly we are very professional, we start on time, end time and do not take extended breaks.

We carry a high quality sound system and computer controlled lighting show. Each band member uses IN EAR MONITORS which allows no amps or floor monitors on stage. Due to our choice in equipment we can be as loud or as soft as the venue wants while delivering a pleasing sonic quality.

Smooth grooves, sun-soaked harmonies, and the unmistakable sound of late-70s and early-80s AM gold—this is the world of Below Deck, the premier Yacht Rock tribute act delivering nostalgia with a fresh, high-energy twist.

Anchored by three powerhouse vocalists , the band recreates the signature layered harmonies and velvety melodies that define the genre. From the silky falsettos of Michael McDonald and Hall & Oates to the shimmering hooks of Toto, Ambrosia, Steely Dan, and Christopher Cross, every performance captures the essence of the era that made soft rock iconic.

Backed by a tight, seasoned rhythm section and precision-crafted arrangements, the group brings audiences on a smooth-sailing musical cruise—complete with lush harmonies, breezy vibes, and the unmistakable polish of the original recordings.

Their live shows are equal parts nostalgia trip, sing-along party, and musical showcase, perfect for festivals, theaters, private events, or anywhere that loves a wave of feel-good classics.
