

Abba Father

G **Am7 G Am7** **G**
Picking up the pieces of my shattered dreams

G **Am7 G** **D**
I wonder if I'll ever know what it all means

G **Am7 G** **Am7** **G**
Oh, but you help me through the problems, you see me through the pain

Am7 G **D**
You hear me when I call out, when I call out your name

Chorus

G D **Am7 D** **Am7** **C**
I cry Abba Father. When I raise up from that moment your mercy shines
D
anew

G D **Am7 D** **Am7** **D** **G** **Am7**
My spirit cries Abba Father. That's all I need to do is cry to you. I can cry to
G
you

G Am7 G Am7 G
Maybe if I'd look back and see what you have done

G Am7 G D
Just look at all of the trials and the battles you have won

G Am7 G Am7 G
Then I'd be less discouraged. Maybe I'd be less afraid

Am7 G D
And it would be more often that I would call out your name **(Chorus)**

G Am7 G Am7 G
Dreams on earth may vanish. Plans may seem to fail

Am7 G D
But there's a bigger picture that seems hidden by your veil

G Am7 G Am7 G
There are some things that we don't understand

Am7 G D
But we can fall down on our knees and take hold of your hand **(Chorus)**
