Use these chords: Other chords are marked. Listen to audio file to learn song

All I Need is Jesus when I stop and look around

All I need is Jesus when my world crumbles down

There's no sweeter thought, no sweeter thought. No sweeter sound to my ears

There's no greater one, no not one. Nothing else can compare, because you are here

All I need is Jesus every day of my life

All I need is Jesus. Don't need this world's stress and strife, troubles of this life.

And there's no sweeter thought, no sweeter thought. No sweeter sound to my ears.

There's no greater one, no not one. And nothing else can compare, Because you are here
