

All Of Me by KC

C **G**
 There's a part of me wanting all of you and part of me not so sure,

Am **G**
 to leave my life behind and not want it anymore.

C **G**
 As I struggle with indecision, your word cuts like a knife,

Am **G**
 pick up your cross and follow me, no matter what the price.

C **G**
 When I think of your disciples I wonder why they were so blind,

Am **G**
 But in your mirror's reflection, I can't hide my own disguise.

C **G** **Am**
 For your word is plainly spoken, but ears do not hear. Eyes are wide open,

G
 but vision is not clear, that you gave... **chorus**

Chorus

C Am7 G Em C Am7
All of you, so you want all of me. You want all to hear and

G Em Am7 (G at ending)
all to see. You want all of me.

C G
With a justifying notion that comes all too easily, you know there's

Am G
so much in my own life. I have to think of what's best for me.

C G Am
But in an instant you are with me as I fall on my knees, praying abba father

G C G
come and rescue me. Help my mind begin to understand. Open my eyes to see

Am G C
Fill my heart with love for what you've done for me. Father, please forgive me.

G Am G
I have been so blind. Now take my life and use me, for I'm no longer mine. Because

You gave... **Chorus**
