

Take Me As I Am

Chorus

F **C (F for others)** **F** **C** **F**
Take me as I am. Lead me through your kingdom, to the promised land. Lord you take me as I
am

C/F **C/F** **C/F**
When Jesus walked among men, he did not sin like we do. He sacrificed his life for foolish
things

C/F **C** **F** **C** **F** **C** **F** **C** **F**
that we do. Jesus heard the father's call to be with us after all, and take us as we are. **(Chorus)**

C/F **C/F** **C/F**
I never should stop trying to be a strong disciple. I never should stop growing when facing times

C/F **F** **C** **F** **C** **F** **C** **F** **C**
of trials. But there are times when I still fall, but you are with me after all. And you take me as I

F
am. **(so...Chorus)**

C/F **C/F** **C/F**
I wonder what would happen if the lord decided to give up on a brother (or a sister) although
they

C/F **F** **C** **F** **C** **F** **C**
kept on trying. There would be no one to save, we would be lost without a trace, but you take us

F **C** **F**
as we are. **(Chorus)**
