G **C** **AM7** **G**
I feel good, I feel great, and life is wonderful. Nothing can bring me down

C **G** **C**
growing from the ground. Hear the birds sing so sweetly. Feel a Summer breeze.

AM7 **G**
Nothing can bring me down (chorus)

G **C** **G**
We forget what it's like and what it's meant to be. Take some time to slow things

C **G** **C**
down and we will surely see. All the wonder of this life and it is so divine. And

AM7 **G**
nothing will bring us down (chorus) End by repeating Nothing can bring me down
