

Four!

The bad works hay + stubble shall be
(fruit of flesh) burned up!

The good works, gold + silver shall be saved or
(fruit of spirit) remembered!

But if we brake this covenant with them we shall
be lost. (Continue in sin)

We are in God's will as long as we are doing what He
has ask us.

If He asks us ^{to} do something different and we refuse, then
we are out of His will!

To live by faith is to give Jesus all the glory!

He is our righteousness, our faith is counted to us for righteousness.

The human mind must be healthy! Durd up your mind!

What is the mind of Christ? We must have the mind of Christ!

Never say you can't! Say you can!

All loss of memory is an attack of Satan. A ^{positive} passive mind.

The unrelaxed mind must be controlled; There is peace in Jesus.

If you can't sleep, praise the Lord, and say I can use this time
to read the scripture, and pray.

The devil would rather you sleep than do these. praise
read - pray.

The devil would rather you sleep than do these: praise
read & pray

You must be King of the mind. Don't talk too much, listen!
