

How many of you here would like to be
(filled with the Holy Spirit)
filled with love)

Have a faith, love, joy + Hope like
you've never had before

Walking with God, walking in the light, bearing
fruit for the Lord.

How many of you here know what it means
to ^{hardened our hearts become bitter} quench the Holy Spirit that is in you
(the Christian who is afraid to be different than the world
afraid to speak up for right + Jesus)

Only one person here that has been filled with the
Holy Spirit ^{love}, not because he's the preacher, not because
it's his job, not because he's getting paid for it.

Because he is feeding upon the word of God daily
Praying with out ceasing unto God on our behalf.

God is first in his life He is walking with God
(He is doing the work we all ought to be doing)

I know what it means to quench the spirit that
is in me (once I was filled with the Holy Spirit)
I became discouraged + depressed, the things of this
world + money before my God.

I tried to ^{love} ~~serve~~ God + the world.

The world ~~kept~~ ^{kept} drawing me
more + more away from my

Study of the Bible + prayer + the assembly.
from God. (~~I quenched the spirit, God wanted me back.~~)

Those I love I rebuke + chasten

God took away my holy, some of my money I had
saved + said you don't really need a Caddillac.

You see I had quenched the Holy spirit that was in me
+ my own will took over, (God wanted me back)
(took something drastic)

You talk about someone being stubborn + bull headed
the case, I was in two psychiatric wards for
four weeks, stood before the United States Attorney
General face in 15 years in prison + 30 thousand dollar fine
to teach me the lesson I needed. I had quenched
the Holy Spirit. (God brought me through all that.)

God make us poor Towards the world + rich toward Him.

How did I get it back, studying God's word daily
Why am I up here tonight, God works in strange ways
praising Him + praying to God constantly + singing
the bus I drive has a radio + all that soul music + the kids
praises to him + assembling with the saints
(were getting to me - Van to shop for repairs I thought it best before
pray with out ceasing, in all things giving thanks to God)
you see now, we started singing the praises of this little light
young people the Lord's church known as
I mine, Jesus loves me, praying, studying, praising
bible packmen, bible readers people now

we ~~don't~~ ever take a bible with us when we go.
The Lord's people took their bible everywhere.

A soldier doesn't go to war without his gun

no one is going to ask you to love your bro
will say to us
you'll be filled with love.

no one will say visit the sick, feed the poor
cloth the needy you'll be there.

Help the widows + orphans
Teach some one, bring some one

We've got a real problem in the Lords Church
the invitation is given and we all stand back
there and say to our selves 'I have no sin'
(no one comes down that aisle) Elders, deacons, members
He that saith he has no sin ~~is a liar~~ ^{has sinned}
the truth is not in him.

Quenched the spirit, hardened our hearts, become bitter
Now if you can stand there tonight and tell
God he is first in your life, you praying ^{as} you
should, you study ^{only} as you should, you ~~visiting~~ ^{visiting}
~~him~~ as you should, you filled with the
Holy Spirit. Then stay back there and ~~continue~~ ^{continue}
to ~~Walley~~ ^{Walley} they support he ~~needs~~ ^{needs}

I'm already up here and have confessed my
sins to you and to God.

Will you do the same + reeducate your life to
Jesus

yet we leave our sword at home.

You young people want to be on fire for Jesus
Pray constantly, ^{read the bible} take your bible to school with you
let people know you are a Christian. Dare to be
Don't talk like the world. ^{Don't dress} different
Bro. + sisters take your bible with you everywhere
read it on your break at work (small one lunch box or
purse)
"Feed daily on the word of God." Pray with out
Support God's Church Be at all the assemblies ^{ceasing}
Ask (^{receive}), seek (^{find}) + knock (^{it will be opened})

How many times do we drop down on our knees
+ weep + plead with God for that son or daughter
bro. or sister lost in sin. Lack of Love or faith
We've quenched the spirit, hardened our hearts ^{become}
We don't receive because we don't ask ^{better}

↔ Pray Pray + Pray
We don't find what we want because we don't
seek after it. ↔ Pray pray + pray

The doors are closed to us because we don't
knock on them. (I will open Jesus)
↔ Pray > Pray + Pray

If you start praying like you should, reading like
you should, singing like you should, assembling like you
should, thank in God like you should.
