

Church discipline or Disfellowship

Must be one of the age of accountability 20 yrs.
Those in the wilderness under 20 were not able to discern
between good + evil. The young men couldn't enter army
till 20 yrs. old. (Must be no doubt that they were)
must be bringing ~~shame + reproach~~ ^{converted} against church.

The law of sin + death - taken out of the way not
the law (no forgiveness)
(Christ came to full fill the law not destroy it) - forgiveness
Must be one who is walking among us disorderly

If we the church all of us have not been praying
for this person for a long period of time we have no
right to turn them over to satan or authority

If one person in the church has not given up on them
and is still working and praying for them we cannot
go against that one person.

We must go to all those involved with this person first
and get their approval first mother, father, sister
brother + (bro + sister in church)

We must take in account if this will do more
harm than good! count the cost cost

We must not make any hasty decisions much
(prayed for sister Judy for 20 yrs) prayer!

We must not take this + other business before, visitors
quits + new babies in Christ
