

The Total man ~~Judgment~~ + the final Battle
Eph. 6:10-12

He is our Peace, our Joy our righteousness.

The body is a battle ground. Job:
The soul is a battle ground, mind, will + emotions.
The spirit is a battle ground.

James 5:1

God speaks to us in our spirit and confirms it by His word!
God didn't want Abraham to kill His son, He wanted him willing to.
He wants us willing to do His will.

The spirit is your born again nature, salvation. (His person living in you.)
(quench)
You lose your spirit by sinning, you lose your soul to Hell.

Worship is service Ye shall worship the Lord and serve Him.
