

Ezekiel

FEED My FLOCK

- a watered down Gospel - Has no power!
The Flock can't grow on a diet of milk!
The meat of the Spirit - things of faith
Live by faith not by sight
- Not by the might or power of man said the Lord
but by the power of my Holy Spirit.

The Gospel must be preached with the power of
the Holy Spirit to change lives

We have this power, treasure dynamite in
us that is able to move mountains.

- Gospel has the power to mend the broken hearted
heal the sick + set the captives free.
cast out the evil spirits.

Be filled with the Holy Spirit!

Empty out your self, be filled with Christ!

- Let this spirit be in you that is in Christ!

We shall all be taught of God! When He the Spirit of
Truth has come He shall guide you in all truth.
