Winning the Struggle With Doubt

JAMES 1:5-8

→ DO YOU STRUGGLE WITH ANXIETY, frustration, and fear? Sometimes these feelings arise when we doubt God's ability to fix a problem or protect us or a loved one. At other times we're distressed because we question His willingness to handle a situation. Such uncertainties can develop from a lack of knowledge about God's character, confusion regarding His promises, or a misunderstanding of His plans. That's why it's important to fill our mind with the truths of Scripture. Focusing on the Lord's sufficiency instead of our circumstances gives us hope and strength.

When doubts surface, confess them to God. Then recall past instances of His faithfulness and meditate on His promises. Let the Holy Spirit guide you into truth so you can stand firm.

Our lesson today is titled "More Than Conquerors"

— How to deal with Adversities —

OPENING PRAYER

SONG

Jesus said "IN This world you will have Trouble"
Every one of us experience Trials, Temptations
Afflictions, adversity because we live in
a Fallen world. Satan is like a roaring
Lion, ready to devour us. He tries to
Block us from serving God.

Few Examples

- 1) Adam and Eve dealt with the Serpent
- 2) Moses had Pharoah
- 3) David had Goliath
- 4) Joseph - his brothers
- 5) Jesus - had Judas
- 6) Job had his well-meaning friends

LET TALK ABOUT PAUL ADVERSITIES

The great Apostle Paul had more than his
Share of adversities - as we read in

"MORE THAN CONQUERORS"

→ HAVE YOU EVER WONDERED WHY A GOD OF LOVE lets bad things happen to you? Or whether your past keeps Him from loving you? But just because you may *feel* unloved doesn't mean that you actually are. The apostle Paul could probably relate. In today's reading we see that he encountered hardship after hardship while following God. And his past was so checkered with sin (Acts 8:1-3; 9:1-2) that he could have assumed he had good reason to feel unloved.

★ Read

Yet Paul kept spreading his message of hope—that God loves us and sent His Son to die for our sins. The situation we find ourselves in may be unfair, painful, or humiliating, but it doesn't mean God has stopped loving us. Sometimes we face difficulty because He is smoothing our rough edges and molding us into His image. Other trials are instigated by Satan but are allowed through the Lord's permissive will.

Either way, God is working everything out for our good, according to His specific purposes for each believer's life (Rom. 8:28). The key to accepting the truth of God's unconditional love is to focus attention on Him rather than on your circumstances. When you are learning of Him, talking with Him, and sharing your life with Him, trust and faith will replace doubt and fear. AMEN

Unstoppable Love

ROMANS 8:31-39

→ GOD IS LOVE. It is His very nature to care for His creation unconditionally. This means that no matter what we do, the Lord will not stop loving us. After reading that sentence, many people are going to think of a dozen reasons why they are an exception. So let me make this clear: God loves each of us, and the only thing preventing us from experiencing that love is our own hesitation to accept it.

The truth is, none of us deserve the Lord's love, and yet He freely gives it anyway. Some people intellectually believe every word of the Bible but still feel unloved because they judge themselves unworthy. Their doubt acts like a dam, keeping the flow of God's care from their heart—and the barrier will hold as long as the person believes divine love must be earned.

Romans 8:32 tells the good news that "God is for us," and the cross is a stunning example: Jesus died so we could be purified and enter into a relationship with the Father. The Savior's atoning sacrifice is itself proof of God's love, but there are many other expressions of it, including a unique purpose and plan for each of His children. And through His sovereign control, He works every situation—whether good or bad in itself—to our benefit. Won't you ask the Lord to reveal and help you clear away anything that might be blocking the flow of His relentless love?
