

Become an Experience Partner

Have a clear and equal voice
in advancing local priorities.

Work together with service
provider partners to transform
the delivery of local health and
community care through the
Ontario Health Team model.

ABOUT US

The Experience Partner Council is an active regional patient, family and caregiver-led Council working through the Ontario Health Team of Northumberland (OHT-N) to provide direct or indirect involvement in decision-making and/or planning, design, governance or delivery of health and community care in Northumberland County.

As an Experience Partner, you will:

- Represent the patient, family, & caregiver voice
- Share experiences to promote and enhance patient-centered care
- Bring awareness to processes that do not work well for patients, families, & caregivers
