

Trent Hills Family Health Team, a dynamic, progressive and collaborative team of health professionals, delivers primary health care, programs and services to approximately 13,000 patients in the Municipality of Trent Hills and adjacent areas. Our vision is to be a leader in the provision of comprehensive rural primary care through an integrated team of caring professionals. Our mission is to provide timely access to a full spectrum of high quality primary health care services. To educate and support patients to better care for themselves. To create a supportive, sustainable and professionally rewarding workplace environment. The team works in collaboration with a group of seven family physicians. We are also part of the Ontario Health Team – Northumberland. [www.trenthillsfht.ca](http://www.trenthillsfht.ca)

### **EXECUTIVE DIRECTOR**

The preferred candidate will possess a minimum of three to five years progressive management experience in medical administration, community health or a social service setting (within a rural setting would be an asset); Master's degree in health administration (or related discipline) from a recognized university, or a combination of an undergraduate degree with significant leadership/management experience (preferably within the not-for-profit and/or primary health care sector) and solid Human Resources and Finance experience.

Reporting to the Board of Directors, the Executive Director works with the Board to create the annual Quality Improvement Plan with accountable outcomes.

Please forward a CV and cover letter in confidence to: Ms. Delayne Donald email: [deloa9@thfht.com](mailto:deloa9@thfht.com)

Application deadline: January 30<sup>th</sup>, 2026  
Start date: March or April 2026 (negotiable)

Trent Hills Family Health Team thanks all who apply. We will only be contacting candidates to be interviewed.
