

GROWTH

week of prayer & fasting

DAY 1 | MONDAY, JANUARY 9

Personal Growth | character, attitudes, thoughts and actions

Read | Hebrews 4:12, Colossians 3:13

Prayer Prompts | Lord, show me my heart, show me where you desire growth in my personal life.

DAY 2 | TUESDAY, JANUARY 10

Spiritual Growth | Intimacy with God

Read | 1 Peter 2:9, John 10:27

Prayer Prompts | Lord, your Word says I am adopted as your own, part of your Royal priesthood, the bride of Christ, & your child. Help my heart and spirit to understand the intimate relationship you desire to have with me. Meet me today and draw me near.

DAY 3 | WEDNESDAY, JANUARY 11

Spiritual Growth | Relationship with God

Read | Philippians 1:6

Prayer Prompts | Lord, I love you, however I am aware that at times I put life and others ahead of my most important relationship which is you. Show me Lord how to grow in my relationship with you.

DAY 4 | THURSDAY, JANUARY 12

Relational Growth | family, work, and community

Read | Matthew 22:37-40

Prayer Prompts | Lord, in my day to day life I rub shoulders with people, like family members, coworkers, and neighbours. It is not always easy to love like them and yet you call me to love them. Show me how to love like you do & invest in people with genuine care as you modelled in your word for me.

DAY 5 | FRIDAY, JANUARY 13

Church Growth | How I relate and minister in my church

Read: 1 John 4: 20-21, Colossians 3: 13

Prayer Prompts | Lord, your Word says you love your church! But if I am honest some of your children are easier to love than others. Help me to see my brothers & sisters through your eyes, with your heart and your love. If I need to make amends, show me who and how.

DAY 6 | SATURDAY, JANUARY 14

Community Engagement Growth | showing Jesus to my community

Read | Romans 15:2

Prayer Prompts | Lord, help me to truly see my neighbors. In our busy lives we often ignore those in our community; many hurting & suffering without hope. We can be your hands and feet to them, & offer them the hope we have found in you. Open my eyes to see how I can shine you in my community.

DAY 7 | SUNDAY, JANUARY 15

Personal Reflection Growth | Meditate on the previous days and work through any areas of Growth the Lord has highlighted to you and He needs to work on in you.

Prayer Prompts | This is the last day of prayer and fasting. Lord show me if we have any unfinished business to work through together. Grow me in ways I can't even imagine! Meet me today and change me from the inside out.
