In Cannes

The Mouratoglou Hotel & Resort, is our chosen location for The Riviera Experience. An exceptional location on the French Riviera that has everything you need to enjoy the vacation of your dreams, whether that means plenty of activity, or plenty of relaxation. Come discover the four-star services that will provide you with a rejuvenating stay in the heart of the French Riviera.

The rally will arrive in Cannes in time for the start of MIPIM 2022, which is set to mark the relaunch of real estate and property business globally for the post pandemic years. An annual trip for many property professionals, MIPIM 2008 marked the moment that two of the rally management team, Peter Leggate and Libby Mee, met on board a sponsors yacht. It seemed appropriate that a yacht would again feature as the base for our rally in MIPIM this year, and it has been chosen to reflect the rally's distinctive heritage. Peter, who is fighting a battle with cancer, selected Maggie's Centres to be the beneficiary of the profits raised from this year's rally, and it is fitting that both start locations in Edinburgh and Chester have played key roles in Peter's illustrious property career as a surveyor.

Chester

We kick off from the glorious Carden Park Hotel

A place where joy, refinement and a connection with nature coexist, Carden Park's 1000-acre estate is the ultimate expression of escapism.

A Riviera Rally Exclusive

Our team have managed to secure "Over the Rainbow" An English yacht relocated to the Cote D'Azur, after a painstaking full rebuild in the 1990s to preserve the yacht's unique historical value and give her a new lease of life. Many celebrities enjoyed their time on board: Churchill visited her, and Madonna even made a film while staying on board.

The perfect addition to the riviera experience.
