DEAR CHARGER BAND FAMILIES,

Welcome to the Edison Charger Band! This will be my fourth year as the director at Edison High School and I am really looking forward to this year!

Participating in a performing art in high school is so much more than just putting on performances. Students learn responsibility, discipline, teamwork, time management, leadership, and on top of it they will make friends that they will have for a lifetime.

Please read this handbook thoroughly and stay updated via our weekly newsletters and website. The best way to reach me is via email: kcooley@hbushd.edu. I look forward to meeting you and working together towards another amazing year!

Go Chargers!

Kristin Cooley

INSTRUMENTAL MUSIC DIRECTOR, EDISON HIGH SCHOOL

Greetings Charger Families,

Welcome all new and returning families. I am excited to start another year of great music and performances. This will be my 4th year volunteering for the band and I am honored to serve as this year's booster president.

The Edison Band Boosters is a volunteer organization dedicated to supporting the wonderful student music and colorguard programs at Edison High School. It has been said that "no one can do everything, but everyone can do something." I invite you to become an active member of our organization through attendance, donations, and volunteering at our various band and colorguard events. Together we can help make this a successful year for our children.

I eagerly anticipate seeing you at our monthly booster meetings in the band room and look forward to your participation and support.

Warmest regards,

Erin J Gordon

Edison Band & Colorguard Booster President

BAND UNIFORM REQUIREMENTS AND CARE

Preparing for a Performance

- a. Underclothing: Black compression shorts and the EHS performance t-shirt are to be worn under the uniforms (no tank tops!) This will help keep perspiration off the uniforms. In addition, high black socks are to be worn.
- b. Jewelry: No visible jewelry may be worn at any time.
- c. Hair: Longer hair must be put up securely with pins so that it does not show below the collar line.
- d. Shoes: **Mandatory all-black athletic shoes must be worn for each performance. They are to be clean and dust-free. Recommended shoes will be purchased by each family.**

Putting on and taking off the uniform

- a. Pants should be adjusted so the hem falls just to the top of the shoe, resulting in little or no “break” in the pant leg.
- b. The hat is to be distributed and collected at every performance.
- c. Plumes are never handled by the student! Parent volunteers will place and remove the plumes.
- d. After removing the uniform, hang the pants neatly. Use the crease line of the pant to fold the pant over the hanger. Do not just drape the pants over the hanger! Each student receives a hanger with the uniform.
- e. Hang the jacket with the curve of the hanger facing forward. Make sure the jacket is zipped securely so it will not slide off the hanger.
- f. Hang up the uniform immediately after each performance. Do not throw it in a car trunk, etc. The garment bag provided with the uniform is to be used whenever the uniform is not being worn. If there is perspiration or moisture of any kind, leave the zipper open until the uniform is dry, then zip it up.
- g. The only other items that may go in the garment bag are gauntlets and gloves. Shoes are to be labeled and kept separate from the uniform.
- h. Do not eat or drink while in uniform (except water)!!!

Cleaning the Uniform

- a. Cleaning of the uniform will be done **ONLY** by the Uniform Coordinator. Students are to maintain the uniform by brushing off any dust or dirt. Should any cleaning beyond that be necessary, contact the Uniform Coordinator.
- b. The hat is not to be dry cleaned or immersed in water. Let the Uniform Coordinator know if cleaning is necessary.

Alterations/Repairs

- a. Do not make any alterations or repairs to the uniform, including sewing on a button. If an adjustment or repair is necessary, contact the Uniform Coordinator and arrangements will be made.

Inventory of Uniform Pieces provided to each student:

CONCERT ATTIRE GUIDELINES

If in doubt as to what to wear, stay as conservative as possible. Students who arrive for a concert improperly dressed will be sent home to change or, if this is not possible, will have their grade automatically lowered and may be pulled from the concert. Consistent failure to maintain a professional appearance in performance will have a negative effect upon one's grade.

FINANCES

SOURCES OF FUNDING

- **Matching Donations:** Please check with your employer to see if they will match your pledge/donation amount.
- **Fundraising:** The Edison High School Band and Colorguard Boosters are committed, with your help, to fundraising about 30% of the budget to help offset the cost of the program and to cover those families who are unable to make a financial commitment to the program. We hold several fundraisers throughout the year and their success is dependent on the involvement of all our families. We also offer sponsorship opportunities for local donors or companies to support the Charger Band.
- **Sponsorships:** Businesses can sponsor the band at various levels and receive acknowledgements in return. See the sponsorship form for more info.

EDISON HIGH SCHOOL
BAND BOOSTERS ASSOCIATION

Erin Gordon , President
Edison High School Band Boosters Association
21400 Magnolia Street
Huntington Beach, CA 92646

Dear Friend,

Thank you for your interest in the Sponsorship Program for the Edison High School Band Boosters Association. Our organization provides support for the bands and competitive ensembles at Edison, including the Charger Marching Band, Colorguard, Concert Band, Jazz Ensemble and Drum Line programs. Our current budget is just over \$90,000.

As you are no doubt aware, funding for school arts programs has been cut to dangerously low levels. While we provide fundraising opportunities to shore up our operating expenses, it is not nearly enough for our organization to meet even our basic needs for instruction, transportation, uniforms, equipment and materials. We desperately need the help of patrons and businesses within our community to help us to provide a successful program for our students! Will you help us?

We realize that the current business environment is difficult; we intend to make our community aware of the businesses and patrons who have contributed to the success of music at Edison High School. Contributions can be made as a single donation, or a pledge that can be made and paid later. Our organization is set up as a charitable non-profit organization, so consult with your tax professional. The sponsorship levels and benefits are defined on the following Sponsorship Program Form.

Thank you for your support of music at Edison High School!

Sincerely,

Erin J Gordon
