Greetings Charger Band & Colorguard Families,

Welcome all new and returning families. We are excited to start another year of great music and performances. I am honored to serve as Booster president this year, especially as I celebrate my 10th year with this incredible program. Over the years, I've seen firsthand how much hard work, passion, and community support go into making this program thrive.

The Edison Band Booster Association is a volunteer organization dedicated to supporting the wonderful Instrumental Music and Color Guard programs at Edison High School. It has been said that "no one can do everything, but everyone can do something." I invite you to become an active member of our organization through attendance, donations, and volunteering at our various Charger Band and Color Guard events. Together we can help make this a successful year for our performers.

We hope to see you at our monthly booster meetings in the band room and look forward to your participation and support. Here's to a successful and memorable year!

Warmest regards,

Christine Pok

Edison Band & Color Guard Booster President

**Battery Percussion: Snare, Tenors, Bass; Front Ensemble: Mallet instruments, auxiliary percussion, cymbals, keyboards, bass, etc.

Concert Band

The Concert Band enables students to develop higher levels of musicianship on their instrument through traditional concert repertoire. This class will focus on playing proficiency and band literature. This ensemble begins after the marching season is concluded and includes all winds and percussion players.

Weekly after school commitments: one rehearsal (starting in January), three to four performances starting in December

Season: December to June

Winter Guard

Winter Guard is the second competitive season of the year for Color Guard students. The group prepares a show to be performed in a gymnasium that is judged in competition with other schools.

Weekly after school commitments: Two rehearsals, Saturday competitions in March and April

Season: December to April

Indoor Drumline

Indoor Drumline is a separate performing group for all members of the marching band and concert wind ensemble. All percussionists are required to participate, and winds are welcome to audition. This is a competitive group that happens in January through April. Students prepare for and perform a show that is evaluated by a panel of expert judges. In doing so, they learn teamwork, leadership, musicianship, and physical skills.

Weekly after school commitments: Two rehearsals, Saturday competitions in March and April

Season: December to April

Jazz Band

Jazz Ensemble is an additional, optional, opportunity for members of the winds and percussion sections. This ensemble is active during the second semester and plays specific popular styles including, jazz, funk, rock, blues, and Latin jazz styles.

Weekly after school commitments: One rehearsal, 3 performances in April, May, and June

Season: December to June

Please check with the director about the proper courses to enroll in each semester or if there are schedule conflicts.

Advanced Music (Honors)

This honors-level course is designed to allow interested and dedicated students the opportunity to extend their musical education in an enriched curriculum. Students must demonstrate a higher level of musical understanding and be able to perform at the highest possible level both as an individual and as a member of an ensemble. Students are expected to demonstrate a high level of critical listening, musical understanding, technical ability, and rehearsal etiquette. Students will be required to Audition to an honor group during their time in the course to experience what it is like to be in an audition process. Band Uniform Requirements and Care

Preparing for a performance

- a. Underclothing: Black compression shorts and the EHS performance t-shirt are to be worn under the uniforms (no tank tops!). This will help keep perspiration off the uniforms. In addition, high black socks are to be worn.
- b. Jewelry: No visible jewelry may be worn at any time.
- c. Hair: Must be put up securely so that it does not show below the collar line.
- d. Shoes: **Mandatory all-black Marching shoes (Dinkles) must be worn for each performance. They are to be clean and dust-free. Recommended shoes will be purchased by each family. **Please place orders with Mr. C**

Putting on and taking off the uniform

- a. Pants should be adjusted so the hem falls just to the top of the shoe, resulting in little or no “break” in the pant leg.
- b. The hat (shako) is to be distributed and collected at every performance.
- c. Volunteers will place and remove the plumes, plumes are never handled by students.
- d. Hang the pants neatly. Use the crease line of the pant to fold the pant over the hanger.
- e. Hang the jacket zipped with the curve of the hanger facing forward.
- f. **Hang** the uniform in the provided garment bag immediately after each performance. Do not throw it in a car trunk, etc. If there is perspiration or moisture of any kind, leave the zipper open until the uniform is dry, then zip it up.
- g. The only other items that may go in the garment bag are gauntlets and gloves. **Shoes are to be labeled and kept separate from the uniform.**
- h. Do not eat or drink while in uniform (except water)

Cleaning the uniform

- a. Cleaning of the uniform will be done **ONLY** by the Boosters. Students are to maintain the uniform by brushing off any dust or dirt. Should any cleaning beyond that be necessary, contact the director or a booster parent.
- b. The Shako is not to be dry cleaned or immersed in water. Let Mr. C know if cleaning is necessary.

Alterations/Repairs

- a. Do not make any alterations or repairs to the uniform, including sewing on a button. If an adjustment or repair is necessary, contact Mr. C and arrangements will be made.

Concert Attire Guidelines

The dress guidelines outlined here are strongly enforced to ensure that everyone in the ensemble is dressed professionally and uniformly for performances. If in doubt as to what to wear, stay as conservative as possible. Students who arrive for a concert improperly dressed will be sent home to change or, if this is not possible, will have their grade automatically lowered and may be pulled from the concert. Consistent failure to maintain a professional appearance in performance will have a negative effect upon one's grade.

Option A - Suit or Tux

- Black tuxedo or suit (pants and jacket)
- Pressed white dress shirt
- Black bow tie
- Black dress socks (no ankle socks)
- Black dress shoes (no cowboy or combat boots, no Vans, Converse, or sneakers)

Option B - Dress

- Plain black, floor to mid-calf length gown with long or 3/4 sleeves
- Black hose
- Black dress shoes

Option C - Slacks or Skirt and Top

- Long or mid-calf black skirt or black dress slacks, with a black top having long or 3/4 sleeves
- Black hose and close-toed black dress shoes (two-inch heel or less)

Jazz Ensembles

All black, colorful ties or accessories.

In All Cases

- No excessive jewelry, no sequins or sparkles, hair accessories must be black, silver, or gold
- Pants, skirts, and dresses should be loose and flowing, nothing skin-tight
- No jeans
- Heels can be no higher than two-inches
- **Shoes must be ALL black**

EHS Band Booster Association

As a parent or guardian of a band or color guard student, you are officially a member of the Edison High School Band Booster Association. The Booster Association is tasked with coordinating the parent volunteers and raising the funds necessary for the program to function. As a qualified charitable non-profit organization, donations made to the Booster Association may be tax deductible, though only your tax professional can make a determination in each individual case.

The Edison High School Band & Color Guard program is run by volunteers. If your child is in band or color guard then you are a booster, and the program needs every booster to volunteer! Not only will you enjoy participating in this activity with your child, you will get to meet other parents and your child will appreciate how your participation and contribution enhances his or her band or color guard experience.

Your Role as a Booster

- **Attend Booster Meetings**

- Booster Meetings are held on the second Wednesday of each month (Sept - June) at 7:00 PM in the Band Room. It is extremely important that every student member has an adult present at each meeting. We will discuss upcoming events, fundraising, and answer any questions about the program.

- **Make a Pledge/Donation (SEE PAGE 32)**

- Recommendations are stated on the Pledge Form. You have several options for the amount you pledge:
 - Full Cost of Student: The full cost of the program for your child without taking into account any fundraising
 - Recommended Donation: The cost of the program for your child considering estimated fundraising
 - Donation/pledge amount made into monthly payments
 - Any other amount: We will gladly accept any amount that you are comfortable pledging, if you wish to adjust the amount in the future just contact our Treasurer at treasurer@edisoninstrumentalmusic.org

Please understand that if pledges fall short of the amount budgeted, the program budget will be cut, and the experience of the students will be impacted.

- **Volunteer**

- The Charger Band runs best when every family volunteers. Every family plays a vital role. Your time and energy directly impact the quality of our program. There will be many requests throughout the year. Typical requests are:
 - Donation of Items: Water, snacks, prop materials, other items throughout the year

- Ask if your employer has a matching grant program for non-profits or search for your corporation at [Charity Navigator](https://www.charitynavigator.org/donor-basics/giving-101/employee-match-programs/) (<https://www.charitynavigator.org/donor-basics/giving-101/employee-match-programs/>)
 - Our tax id number is **23-7304427**
- Find and help the program apply for funding from grants from companies and foundations
- Ask local companies to sponsor the band or purchase ads in our Field Competition program. It is always nice to get money from outside of our families and it benefits all the students.

Finances

Sources of Funding

- School District: The HBUHSD provides the band program facilities and funds the director's salary. They also provide a small stipend for two other coaches, but not funding for their full costs. Some funds are also provided for instrument repair and miscellaneous expenses.
- Donations/Pledges: The director and Booster Board determine a budget for the year. We also determine the recommended yearly donation/pledge amount that covers each student. These donations can be paid out over six months.
- [Employee Matching Donations](#): Please check with your employer to see if they will match your pledge/donation amount.
- Fundraising: The Edison High School Band and Color Guard Boosters are committed, with your help, to fundraising about 40% of the budget to help offset the cost of the program and to cover those families who are unable to make a financial commitment to the program. We hold several fundraisers throughout the year and their success is dependent on the involvement of all our families.
- Sponsorships: Businesses can sponsor the band at various levels and receive acknowledgements in return. See the sponsorship form for more info.

Where the Money Goes

- Coaches: Just like a sports team, the band has several staff members that help us put on the best show possible: coaches, drill writer, choreographer, music arranger, etc.
- Show Costs: Music, Props, Entry Fees, Facility Rentals, Clinicians, Flags, etc.

- Booster Administration: Insurance, CPA fees, website maintenance, scholarships, bank fees, etc.
- Other Costs: Awards, Senior Scholarships, Uniform cleaning, Yearbook pages, Honor Band, Recruiting, etc

Sponsorship Program

Edison High School Band Boosters Association

Christine Pok, President
Edison High School Band Boosters Association
21400 Magnolia Street
Huntington Beach, CA 92646

Dear Friend,

Thank you for your interest in the Sponsorship Program for the Edison High School Band Boosters Association. Our organization provides support for the bands and competitive ensembles at Edison, including the Charger Marching Band, Color Guard, Concert Band, Jazz Ensemble and Drum Line programs. Our current budget is just over \$104,000.

As you are no doubt aware, funding for school arts programs has been cut to dangerously low levels. While we provide fundraising opportunities to shore up our operating expenses, it is not nearly enough for our organization to meet even our basic needs for instruction, transportation, uniforms, equipment and materials. We desperately need the help of patrons and businesses within our community to help us to provide a successful program for our students! Will you help us?

We realize that the current business environment is difficult; we intend to make our community aware of the businesses and patrons who have contributed to the success of music at Edison High School. Contributions can be made as a single donation, or a pledge that can be made and paid later. Our organization is set up as a charitable non-profit organization, so consult with your tax professional. The sponsorship levels and benefits are defined on the following Sponsorship Program Form.

Thank you for your support of music at Edison High School!

Sincerely,

Christine Pok

Program Cost 2025-2026

We fund the Charger Band and Color Guard with a combination of donations, assessments and fundraising. This year we plan to fundraise up to \$50,000.

DONATIONS

- Each family can choose to pledge one of the following:
 1. **Student - full cost of the program: \$1830.00**
 2. **Student - recommended donation: \$960**
 3. **Other Donation amount: any amount within your family's ability to pay**
- The pledge can be paid in one payment or over 6 months. Please only commit to the amount you are able to pay, as we use the committed pledges in planning for the year and in order to adjust the budget.
- A shortfall of donations will seriously affect the function of our program; therefore, we are asking everyone to contribute, thus providing every student with an opportunity to participate in a quality program.

ASSESSMENTS

In addition to the family donations, there are a few assessments associated with the program that are paid prior to the beginning of band camp

- **Band camp fee: \$550**
- **Instrument usage fee: \$220 (\$110 per semester)**

There is an additional cost for Color Guard costumes (Fall and Winter) & Drumline Costumes (Winter). These costumes are not expected to exceed \$200 per costume. Your coach will provide details on actual cost and payment options.

Edison High School Uniform Contract

(Winds and Percussion Only)

Because our uniforms are very expensive and must be in perfect condition for our performances and competitions, it is important that care be taken by you and your child to maintain this valuable asset. Please read the information below, as well as the “Band Uniform Requirements and Care” document. Once you and your child have read these, please sign below and return this contract to school along with the other registration forms.

Each student will be fitted for and issued a uniform in August. The uniform will be issued only after all registration forms are complete, and this Band Uniform Contract is signed. You and your child will be held responsible for the uniform’s care. If any piece is damaged or lost, you will be charged for that piece.

All parts of the uniform must be turned in at the end of marching season (usually December or January), and payment must be made for any damaged or lost uniform pieces, or your child will not be allowed to sign out of school or graduate; this is an Edison High School policy.

Replacement Costs – Marching Uniform

Uniform Component	Replacement Cost
Jacket	\$300.00
Bibbers (Pants)	\$90.00
Gloves	\$15.00
Hat (Shako)	\$80.00
Hanger	\$5.00
Garment Bag	\$10.00
Gauntlet	\$75.00

I have read this Band Uniform Contract and the separate “Band Uniform Requirements and Care” document, and I agree to follow all instructions. Further, if the recommended care is not followed, I agree to pay for the repair or replacement of any damaged or lost component(s).
