

# Feel the difference With Clinell Contiplan

**clinell**<sup>™</sup>  
CONTIPLAN

**Clinell Contiplan 3-in-1 Cream Cloths** cleanse, moisturise, and protect skin exposed to prolonged or repeated moisture from sources such as sweat, urine, faeces, or wound fluid.

**Not all continence wipes are the same.** Unlike standard wipes, Clinell Contiplan integrates the three benefits in a single step, reducing care time by up to 65% and delivering cost savings of 40% through product rationalisation.<sup>1</sup>

## Suitable for:

- ✓ Adults of all ages
- ✓ Unbroken, broken and damaged skin

## Types of MASD:

- Incontinence-associated dermatitis (IAD)
- Intertriginous dermatitis (ITD)
- Peristomal skin damage
- Periwound skin damage

Product Code: **CON8** / **CON25**

## Preventing and managing MASD, including IAD, with Clinell Contiplan

### Cleanse

Gently remove urine, faeces or other irritants to avoid further skin damage

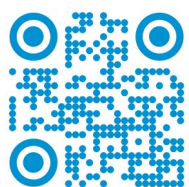

### Moisturise

Concentrated emollients hydrate and strengthen the skin's natural barrier

### Protect

Advanced Barrier Protection (ABP<sup>™</sup>) delivers a multi-layered defence, offering long-lasting protection from external irritants
