## Learning Objectives

**Math:** We will continue working on our numbers. When we work on each number we don't just learn how to write it. We also work on counting, one to one correspondence and recognition.

**Literacy:** Beginning this month until the end of the school year we will focus on one letter of the alphabet each class time. We will then have a special activity each class that goes with that letter.

**Social Emotional:** We will continue with Whole Body Listening. We will also continue working on having a conversation with a friend. The children have done a great job with it so far!
