If you would rather not commit to a full shift you are welcome to work for part of it! Thanks for your help in supporting our preschool!

We are going to have a Christmas book exchange in each class. We ask that each child brings a book that they could exchange with a classmate. November Book Orders are a great time to order these books. We ask that you follow our \$3 limit. Also please wrap the book and label (**To:** A friend **From:** Your child's name) This book exchange will take place the morning of our Christmas program.

What we will be working on in the month of November....

Math: We will continue our work on shapes: heart, diamond, octagon and review of all the shapes we have learned.

Literacy: We will continue work on strengthening our small muscles in our hands and begin working on recognizing & writing our names.

Social/Emotional: We are going to talk about feelings, not only our own feelings but also how our actions can affect other peoples feelings. We will also work on functional skills such as putting on and zipping our coats.

Reminders

- We try to get outside most days as long as it is not raining. Please be sure to bring hats, gloves and coats every day for your child.
- As the weather gets colder I want to remind you of our weather policy. We follow the Marshall Public School for weather delays and closings. I will also post announcements on our Facebook page and send out an email for early dismissals and closings.

Grandma Eula

You may see a new face in our classroom on Wednesdays. Grandma Eula is going to come help us out in our classroom. She has been a teacher for the last 40 years in the Dallas, Texas area and has recently moved to Marshall. We are so excited to have her be part of our preschool!

I will be gone Monday, November 10th. I will still be checking my emails so if you need to contact me please feel free to do so via email. Miss Lisa will be filling in for me! Thank you!
