## Winter Weather Policy

Just a quick reminder of our winter weather policy!

**2 Hours Late:** We will open at 10:00 am. (Children that attend half days are still welcome to come for the two hours)

**Early Release:** We will release at the same time as the public school.

**No School:** We will be closed.

An email, text and post on our Facebook page will be sent regarding any weather announcements.

## Valentine Party

Unfortunately due to COVID and state regulations we are not allowed to have our Valentines party with parents. But we will have one as a class. If you would like to send valentine's along please have them to the classroom on or before **February 9th** so we can hand them out on the 10th & 11th. On the back of the newsletter is a list of students in our class.

## Reminders

- Class starts at 8:00. We need to start our circle at 8:15 to fit in all the activities we have planned for the day.
- Please bring coats, snow pants, boots, hats and mittens each day. We will try to get outside as much as we can. You are welcome to leave the snow pants and boots on the hooks outside the classroom if you wish.

## Learning Objectives

**Math:** The younger children will continue working on numbers 4-7. The older children will begin working on simple addition and simple subtraction.

**Literacy:** We will work on letters, O Q K A M and N.

**Social/ Emotional:** We will work on having conversations with friends.

### I Love to Read Month

February is "I Love to Read" month. So this month we will focus on some of our favorite books.

Attached to the newsletter are basketballs. When you read a book with your child write it down on a basketball and bring it to school. We want to fill the hallway wall with basketballs of all the books we have been reading.

Shooting for Success  
one book at a time!

**The more that you read,  
the more things you will know.  
The more that you learn,  
the more places you'll go.**
