Fire. That's our Lenten theme for 2020.

Fire does a lot of things.

Fire cleanses things. Like in a forest, it gets rid of stuff. It purges.

Fire destroys things. Back in 2001 my parents' house burned down. Not only was their house destroyed. but it took a big chunk out of their souls and spirits.

Fire is violent. It does what it wants.

Fire is beautiful. Look at a candle. Or a campfire. It can bring us peace and calm.

All of these things are like God. That's what God does in our life.

For Lent this year, thing about how God is like fire. In your life. In others. Out in the world.

One of the ways we're going to be fire during Lent is at St. Stephen, on Sundays we're not having commun-Typically we have communion every week. It's mostly pragmatic & practical, as most of our congregation worships once per month. But every now and then I like to shake things up. Lent is the journey to Jerusalem on the cross. It's solemn. It's a time to think about who we are, you know, the sinful side. Perhaps a good way to be reminded of our sinfulness is by not partaking in the body and blood in a deliberate and planned way.

Now if you need communion because it's of a very important concern, or you are of ill health, or for some other reason, let me know, and I'll deliver communion to you right away!

May you all be blessed as you see God, the fire out in the world, as we journey towards Easter.

Peace, blessings, and good stuff.

#### Hello fellow members of St Stephen!

Here is an update on what's going on from your council. Christ United Presbyterian update, we had a (straw poll) vote at the annual meeting on Jan 19th, and the results were 70 votes yes and 2 no. With that the council can move forward on possibly merging with Christ United Presbyterian Church. For now we will keep you the congregation informed.

At the annual meeting we voted in 4 new members to the council. The new members are Bill Cowden, Erin Kuehl, Jennifer Marty, and Carleton Johnson.

We at the council were very happy to see the big turnout at the annual meeting. The had 70+ members attend which is a bigger turn out than we have had in a long time. So thank you to all, and we really appreciate all the great feedback and support we are getting. I have also included the questions that came up during the vote, and we answered them the best we could at the last council meeting. Please feel free to contact myself or anyone else on council if you have questions.

Well that's all for now, I hope everyone is having a blessed year so far!

Daren Kesteloot

Council President

#### Resolution February 2,2020 Introductory Vote to See Merger Questions and Comments

- Yes I know there is concern about their organ, better than ours?
   Yes, They have an Awesome organ, but we don't think it would be cost effective to move it.
- Yes We will need more grape juice, as Presbyterians do not drink wine (I was told this by 2 of their members.

Yes, we will have to have more juice cups available for communion.

 Yes - ? Model constitution ELCA requires updates after each ELCA National Assembly – Does PCUSA also?

We are looking into it, and will keep you up to speed when we can.

 Yes – Very much in favor. In times of division it is a chance to make two congregations stronger as one. Plus Lyle is way over worked.

This would be one of the plusses of a merger and having 2 pastors, to lighten the load for Pastor Lyle

- Yes I feel that Anne should do a service so people know what her service is like. Yes, that very idea is in the works, more info to come in the future
- Yes Let's say they get 200K for their site, where does that \$ go?

  The building is theirs, it will be up to them what they do with the funds from the sale.
- No Not yet there Finances, Housing allowance for both? Faith, communion and words prayers?

They have enough giving to cover their pastor's expenses.

We practice open communion, so everyone is welcome.

It will be up to the presiding pastor to decide which version of the prayer will be used.
