Reminders

- As the weather gets cooler please bring a jacket for your child as the mornings can be a bit cool.
- If you have any questions feel free to contact me @ melinda.grohs@ststephenmarshall.org

Fall Theme

This month we will learn about all things fall! We will do some fall baking, pumpkin painting and other fun fall activities.

Literacy: This month we will be working on the letters E,F, H and T. We use the program Handwriting without Tears. It's a very hands on approach to teaching writing.

Math Concepts: We continue work on shapes and colors and will move into sorting and making patterns as well.

Social/Emotional: This group does a great job working and playing together! This month we are going to introduce the Solution box. In the box are several different solutions that the children can use when they have a conflict. It's a great way for the children to start to try to solve their own disagreements.

Everything we do is in a play based format and we hope to provide a fun learning environment for your child.
