REMINDERS

We go outside as much as possible, please make sure your child has snowpants, boots, coat, gloves and hat each day.

Please also make sure your child has a pair of tennis shoes along each day to wear in the classroom, after we play outside boots get very wet and it's nice to change into a dry pair of tennis shoes. We also play in the big area when it's too cold outside and boots are very hard to run in for children, and then they trip and fall and we don't want anyone to get hurt.

Please let me know if you have any questions!
