What We'll Be Learning

Each week I will post on our "Look at what we're Learning" board outside of classroom. This will explain what our focus is for the week.

New this year, we have added a "Science Center" where the children will be able to explore and experiment with various items.

Check out of New Website

You can now pay your bill online. All of our newsletter will be posted there along with upcoming event information. We will still use our Facebook page for pictures each week so you can keep up with what we're up to.
