

DIVER DOWN NEWS

A MONTHLY PUBLICATION OF THE DIVE CLUB

President's Letter – March 2026

Greetings divers and happy March! While I would love to say that I've been escaping the snow and cold to travel to a tropical dive destination, I can't! But, it's been awesome seeing everyone's photos and submissions for the Where in the World is the Dive Club Contest. Don't forget to keep the submissions coming to be in the running for prizes at the end of the year (near or far!)

We're getting closer to the end of winter and the start of our dive season, so it's just about time to start planning our beach diving schedule. A committee Zoom meeting will be planned in the coming weeks, and all are welcome to attend and give input on where and when they'd like to dive.

Also, if you haven't picked up your t-shirt or sweatshirt order yet, don't miss our March meeting! We do have some extras if you didn't get your order in on time. I look forward to seeing everyone at our March meeting, where our very own Dr. Alex Einbinder will be presenting on his dive trip to southeast Asia and the species he encountered along the way.

MEETING MINUTES

FEBRUARY 3, 2026

RECORDED BY NORMA LEON

- 🐟 Motion to approve last month's minutes approved.
- 🐟 John had Dive Club T shirts for sale in the back of the room
- 🐟 Committees:
 - 🐟 Oak Beach Wednesday evenings in Babylon: For Wednesday nights Linda Gotti and Savi have graciously stepped up to kind of switch off and volunteer to have our BBQ. As you guys know we have a really good time at the OBI in Babylon every Wednesday. And Norma is going to do our attendance. As you guys know who dives when for our leaderboards. So, Norma is going to keep track of that since she gets there way before us.
 - 🐟 Weekend Beach Dives: Joint committee so it doesn't fall all on one person. We dive every weekend April to Octoberish. We will be scheduling that Zoom meeting sometime in March or April. Look out for that, all are welcome so you can have input when and where we dive. It's a group effort, but if you would like to lead that, you would have more responsibility. Reach out to Courtney for that. We are also looking to have someone carry the emergency roster, sign in sheet, active members before everybody gets in the water.
 - 🐟 Wreck Diving: : Elias will like to take that on. There are only a few captains and boats left. We do have some dates already on the Gypsy Blood, but we are going to work on getting some more. Hopefully, we can have more dives this year than last year.
- 🐟 Stressed the importance of volunteering and getting involved in the club.
- 🐟 Introduced last month the Where in The World Is The Dive Club contest with some awesome submissions already from some nice trips. Strong start to the year.
 - 🐟 Jake was our first submission and went to New Zealand. Jake said it was really amazing. He found a really great Dive Company there he can recommend.
 - 🐟 Mary Davis and a bunch of others through Tiedemann's went 940 miles to Williston, FL and they dove Blue Grotto along with some other locations.
 - 🐟 Norma traveled over 2,000 miles to Tortola, Antigua and St Lucia. She said it was awesome and a great way to celebrate her birthday by being underwater.

MINUTES (CONT'D)

- 🐟 Barry and Maureen impressively went over 9300 miles to Indonesia. He will get back to us on the experience.
- 🐟 Alex is headed to Thailand, Bali, and Hong Kong. He's going to send in his pictures for next month.
- 🐟 Where in the World instructions: anywhere you dive in the world, take a selfie with your Dive Club Swag and send it to Courtney with the location and how many miles away you traveled. We are putting it in the newsletter and we are making it a fun little contest to see where everyone has gone, where the Dive Club has been all year. We will have a prize for the farthest destination the Dive Club swag has reached and we will also have some other prizes. So even if you haven't gone as far as the other submissions, send them anyway because we want to see the pictures
- 🐟 Renewals we're due last month. But any stragglers can feel free to send in their paperwork to Bill. He's here tonight, if you have any questions. We have emailed the forms and they are also in our newsletter or at TheDiveClub.com and you can download them from there. We have about 80 members in good standing, we still have a couple of people not in good standing yet who come to the meetings and quite a few members who haven't been doing it in the last year or two. So, if you have friends who have been members in the past, reach out to them find out why they haven't come back, urge them to return. We would love to have them. Can always pay your dues cash or Venmo
- 🐟 Glen Whepley informed Bill about the next Fresh Pond Exploratory Dives will be the weekend before Memorial Day, the 16th and 17th of May. The local Fresh Pond Association will be hosting the event, providing food, refreshments and offering support. Also in conjunction with the explorers club, they will have a flag there. If you are familiar with the Explorers Club, a flag event is a big thing with them. Glen will be at the April meeting to give us more details on what the work plan is, what the goal of the dive is this year. Mark it in your calendars if you are thinking about participating.
- 🐟 Shout out to Dan Corcoran, his birthday was January 19th.. HAPPY BIRTHDAY, DAN. Courtney feels we should bring back the birthday shout outs. Happy birthday to anyone who isn't in the newsletter!
- 🐟 Welcome Chris Paparo, Fish Guy Photos. Our speaker for tonight.

LIABILITY RELEASE AND EXPRESS ASSUMPTION OF RISK

This is an important legal document. You may wish to consult an attorney prior to signing it.

This release may be used against you in a court of law if you sue any released person or party.

Please read carefully, **fill in all blanks and initial each paragraph before signing**. Incomplete forms will not be accepted.

I, _____, hereby affirm that I have been advised and thoroughly informed through my open water training of the inherent risks of skin and scuba diving.

- Further, I understand that diving with compressed air involves certain inherent risks; decompression sickness, embolism, or other hyperbaric injuries can occur that require treatment in a recompression chamber. I further understand that any trips of any kind (diving or non-diving), whether sponsored or not, by The Dive Club may be conducted at a site that is remote, either by time or distance or both, from such a recompression chamber. I still choose to proceed with such diving activities in spite of the absence of a recompression chamber in proximity to the dive site(s).
- I understand and agree that neither The Dive Club or any of their respective board members, officers, agents or assigns (hereinafter referred to as “Released Parties”), may be held liable or responsible in any way for any injury, death, or other damages to me or my family, heirs, or assigns that may occur as a result of my participation in any Dive Club activity, or as a result of negligence of any party, including the Released Parties, whether passive or active.
- In Consideration of being allowed to become a member of The Dive Club I hereby personally assume all risks in connection with diving or non-diving activity from any harm, injury or damage that may befall on me, including all risks connected therewith, whether foreseen or unforeseen.
- I further save and hold harmless said Dive Club and Released Parties from any claim or lawsuit by me, my family, estate, heirs, or assigns, arising out of my enrollment and participation in Club events including both claims arising during said event or after said event.
- I Further understand that skin diving and scuba diving are physically strenuous activities and that I will be exerting myself during any diving activity, and that if I am injured as a result of a heart attack, panic, hyperventilation, etc., that I expressly assume the risk of said injuries and that I will not hold the above listed individuals or companies responsible for the same.
- I further state that I am of lawful age and legally competent to sign this liability release, or that I have acquired the written consent of my parent or guardian.
- I acknowledge scuba diving is an activity that is done with a buddy. I will not make a solo dive during a Dive Club event unless I am certified to do so by an accredited training agency and I am equipped to make this dive safely.
- I understand that the terms herein are contractual and are not a mere recital, and that I have signed this document of my own free act.
- I acknowledge that The Dive Club does not provide buddies, gear, transportation, training, or professional advice pertaining to the sport of scuba diving. However, the dive sponsors will do their best to help club members find what they need for a dive by setting up email groups to allow individual club members to coordinate rides, buddies, and rental gear, if necessary.
- The Dive Club does not vet divers or make any determination about whether any diver is qualified to do any given dive. This decision is entirely up to the individual diver, as well as any external dive operator, such as a dive boat captain or resort operator. It is important to evaluate your current experience when making the decision to dive. If you only have experience diving in warm waters with optimal visibility, you should consider the additional challenges associated with northeast diving before making your decision. I expressly assume the risk of any injury or illness for **each and every** dive that I determine to make and hold harmless for the same the above listed companies and individuals.

- I acknowledge that for planned boat charters, the minimum certification and equipment requirements listed in our newsletter are the requirements of the boat captains. Please contact them directly if you have any questions about the suitability of a dive for you.
- I understand that DAN (Divers Alert Network) Insurance or other similar diving accident insurance policies are available to me if I choose to acquire this. I acknowledge that it is my own responsibility to educate myself on the available policies and choose the one, if any, that is appropriate for me. I understand that without this, I will be responsible for any medical bills or damages to my equipment that I incur.
- I recognize that I may receive false or misleading information from one or more club members or non-members pertaining to the relative difficulty of a dive or my ability to safely participate in or perform a dive. Additionally, I acknowledge that one or more club members or non-members may negligently approve of my dive plan, including preparation or intended dive plan, the condition of my equipment, my ability to use my equipment, or proper use of equipment. I understand and agree that **I am responsible for determining whether I am capable of executing** a dive safely, whether I have sufficient information regarding my own physical abilities and the intended dive to base this decision, as well as whether my equipment is in proper working condition and is sufficient for the intended dive. I release The Dive Club and all co-signers who by signing this waiver similarly release me from negligent acts or omissions of this nature.

IT IS THE INTENTION OF _____ BY THIS INSTRUMENT TO EXEMPT AND RELEASE THE DIVE CLUB, AND ALL RELATED ENTITIES AS DEFINED ABOVE, FROM ALL LIABILITY OR RESPONSIBILITY WHATSOEVER FOR PERSONAL INJURY, PROPERTY DAMAGE OR WRONGFUL DEATH HOWEVER CAUSED, INCLUDING, BUT NOT LIMITED TO, THE NEGLIGENCE OF THE RELEASED PARTIES, WHETHER PASSIVE OR ACTIVE.
