

DIVER DOWN NEWS

A MONTHLY PUBLICATION OF THE DIVE CLUB

President's Letter — June 2026

Greetings divers!

Welcome to July! It's been a great start to this season so far and we have been very lucky to have had some beautiful weather and dive conditions for our first month or so of club dives.

We've kicked off our tradition of Wednesday nights at Oak beach with great food and company. Savie has been grilling up the good eats to give us all something to look forward to after our dives. Even if you don't feel like diving, these Wednesday night gatherings are a great way to break up the week, enjoy some time outside, and get together with other club members.

We had our first wreck dive of the season in June on the Gypsy Blood to the wreck of the Tolten. Half a dozen club members trucked it out to Point Pleasant, NJ bright and early and had a nice day out on the Atlantic. We have just 1 spot open on our next wreck dive on September 5 to the Coney Island, so if you want on, let me know right away. We also hope to plan a weekend overnight trip on the Sea Turtle to Block Island for next year, so if you are interested in that, please let me know so we have an idea of who would like to join when the time comes to discuss dates.

This past weekend, club members led by Ozan traveled up to Fort Getty, Rhode Island for an unforgettable weekend of camping and diving. Beautiful views, great dive conditions, and good meals cooked over a flame were had. It doesn't get much better than that!

Keep an eye out on the beach diving schedule because there is plenty more to come! Looking forward to seeing everyone out there!!

JULY 7 MEETING PRESENTATION

COLD SPRING HARBOR
WHALING MUSEUM

**"ANCIENT JAWS: SHARKS OF THE
PREHISTORIC SEAS"**

What's older than trees and outlasted the dinosaurs? Sharks! We'll investigate nature's evolutionary masterpieces and the bizarre "ghosts" of the fossil record, from the bus-sized Megalodon to the odd saw-toothed Helicoprion. Join us to uncover how these ancient hunters mastered the oceans through dive mass extinctions, and why their modern-day descendants are now at a critical turning point.

ON DECK

AUGUST 4 — PAT ROONEY

SEPTEMBER 1 — JAMIE ADAMS - ST. JAMES BREWERY,
"DEEP ASCENT: A HISTORICAL STORY ABOUT YEAST"

Jamie Adams is not only the founder of Saint James Brewery and a brewer, but he's also an experienced deep sea diver. This is the story of how he recovered yeast from bottles found on the wreck of The Oregon which occurred off the coast of New York in 1886 and propagated the yeast to brew Deep Ascent.

MEMBERSHIP APPLICATION

The Club Membership year is January 1 to December 31, and each year club members must fill out an application form and waiver specific to that year along with submitting annual dues. Forms must be filled out and submitted for your safety as well as the Dive Club's and are necessary to participate in our club dives and activities. These forms and timely payment of your dues keep you in good and active standing with the club.

TDC APPLICATION INFO & INSTRUCTIONS

Fill out the application, which is available for download on the The Dive Club's webpage (thediveclub.com/membership) and at the back of this newsletter. Please fill out the application on your computer, print to sign, and then scan and email to Bill Cadden (below).

If filling out by hand, please use **black ink** and write legibly. If scanning it in via phone, please crop out any areas that are not part of the forms (aka the surface from which you took the image).

ALL SIGNATURES MUST BE HAND SIGNED, NO ELECTRONIC SIGNATURES ACCEPTED.

The application consists of the Data Sheet, Wavier, and Membership Directory (4 pages total)

The Data Sheet keeps your information current and updated, including emergency contacts (who should be someone other than your typical dive buddy). The waivers is needed for safety and protection year over year. Finally, the Directory sheet is to add you to our membership directory and keep that fresh as well.

For Family Memberships, EACH PERSON IN THE FAMILY UNIT needs to fill out a Form and Sign it. Print out the form so you can sign **ALL Pages**, and **Initial the Waiver** where indicated. **PARENTS**, you must sign the Waiver for your Children under the age of 18. **No Digital Signatures please.**

When you sign the Waiver, PLEASE DATE IT January 1 of the waiver year.

Scan the pages and save as a *.pdf, using your Last Name for the File Name (ex: Cadden.pdf), and email it to Corresponding Secretary, Bill Cadden at Membership.TheDiveclub@GMail.com

Individual memberships for 2026 are \$25. Family memberships are \$35.

You can **Pay your Dues** by one of 3 ways:

1. Pay Cash at the meeting or if you run into an Officer (President, Vice-President, Treasurer, or Corresponding Secretary).
2. Pay by Check, either at a Meeting, to an Officer, or via mail to the P.O. Box.
 - * If you use a Business Check, make sure you include a note telling us who it is for.
 - * If your Family Unit has multiple Last Names, please let us know who is included.
3. Venmo to the Treasurer, Gus Bricker.
 - * If you need Venmo directions, please contact the Treasurer at info@thediveclub.com.
 - * If your Family Unit has multiple Last Names, please let us know who is included.

MEETING MINUTES

JUNE 2, 2026

RECORDED BY NORMA LEON

🐟 Minutes approved

🐟 Joe wb50/50 tickets

🐟 Beach Diving Report

🐟 **Fresh Pond Dive – Shelter Island:** Glen Whepley hosted a dive at Fresh Pond on Shelter Island. Conditions were cold, shallow, with low visibility and no current. The group had difficulty finding the automobile, but Mary located the old icehouse area, including pilings and bricks. Future dives will focus on that area. Glen noted that although there is a lot of muck, the chances of finding artifacts may be good because Fresh Pond has existed since the last ice age and is near the bay. The pond is also an important freshwater source for Shelter Island, and work is being done to reduce nitrates and remove old foliage. Smallmouth bass are present, and only electric motors are allowed. More divers are welcome for future dives, and other Shelter Island beach-dive locations may also be explored.

🐟 **Oak Beach:**

🐟 Oak Beach diving began last week with John, Courtney, Rick, and others. The water was warm, and the dive went well.

🐟 Linda and Savy picked up barbecue. Members should bring their own plates, silverware, and alcohol-free drinks. Linda and Savy will cover food every other week, and Savy may help weekly unless others volunteer. Tide tables were shared; slack tide is preferred, though conditions do not look ideal. Members are encouraged to come to Oak Beach on Wednesdays around 4:00-7:00 p.m. for diving, food, and socializing, even if they are not diving.

🐟 **Upcoming Wreck Dives:**

🐟 Two wreck dives are scheduled, and Elias is working on a possible third inshore reef dive.

🐟 The first dive is this Sunday to the Tolten aboard the Gypsy Blood out of Point Pleasant, New Jersey. One spot remains open. Seven club members are going, along with members from Big Apple Divers. Contact Courtney if interested.

🐟 The second dive is to the Coney Island on September 5, also aboard the Gypsy Blood. Two to three spots remain open. Since there are limited boat opportunities this summer, members interested in going should contact Courtney.

🐟 Bill Cadden also forwarded information from former member Mike Victor, who crews on the Gypsy Blood. Mike has several open spots this Saturday to dive the Stolt, approximately 55-100 feet. Members should check their email and contact Mike directly using the information in the attachment.

JUNE 2, 2026

RECORDED BY NORMA LEON

Captain Jack Lackimeyer:

-  A moment was taken to remember Captain Jack Lackimeyer, who recently passed away.
-  Jack Frost spoke about diving aboard Jack's boat, the Sea Hunter, from 1975-1980. He described the boat as slow, nicknamed the "Sea Slug," and recalled trips to the Oregon and San Diego. He remembered Jack as quiet, fair, and part of a bygone era of diving.
-  Shelley Johnson also shared memories of Jack and the dive boat community, including the Eastern Dive Boat Association and its work supporting dive boats in the New York Bight. She remembered Jack as beloved by divers and other captains, and as a true Long Island diving legend.
-  Club Merchandise: T-shirts and sweatshirts were available for sale. Members should speak with Courtney.
-  Rhode Island Camping Trip: The Rhode Island camping trip, hosted by Ozan, is scheduled for June 26-28. Members should notify the club as soon as possible so campsites can be booked. Anyone who booked separately should also let the club know. A packing list and details about what will be provided were emailed. The club will provide food.
-  New Member: Ramon was introduced as a new member. He has been certified for a while and is looking for dive buddies and local diving opportunities.
-  Truk Lagoon Trip: Mary Davis reported that a return trip to Truk Lagoon with Tim McMahon is planned for June 2027. Two spots remain open, and a \$200 deposit reserves a spot. Anyone interested should speak with Mary Davis. Jack Frost is also going.
-  Additional Announcements:
 -  Martin stated that the Horton's Point dive is a LIDA dive.
 -  Bill Cadden stated that the membership directory was sent out. Only members in good standing were included and are welcome to dive with the club, including in Rhode Island.
 -  50/50 was handled by Joey.

WINTER GALA

LONG ISLAND DIVERS ASSOCIATION

The Long Island Divers Association (LIDA) is excited to announce the date of its annual winter event. The first annual Long Island Divers Association Winter Gala will be held Saturday, February 6, 2027, at 6pm at the Long Island Aquarium in Riverhead, New York. The entire tri-state dive community, including dive stores, dive boats and dive clubs, along with friends and families, are invited to an evening of great food and entertainment, along with the opportunity to socialize, reconnect with friends and dive buddies, and begin planning future dive adventures.

The Long Island Divers Association Winter Gala will feature:

- 🍷 Food and beverages
- 🍷 Cash bar
- 🍷 Amazing raffle prizes
- 🍷 Keynote speaker
- 🍷 A unique opportunity to win a Shark Cage Dive in the aquarium's shark tank (*bring your swimsuit and be ready to dive during the event!*)
- 🍷 Full access to the aquarium exhibits and displays
- 🍷 Exhibits from many of our local dive stores , dive boats including Ocean Pals for the children, and the Nassau County Hyperbaric facility.

Mark your calendars now for this must-attend event! Tickets will go on sale soon and will be available through LIDA's website

www.lidaonline.com.

WRECK DIVING

\$130 ON THE GYPSY BLOOD (NJ)

Let Courtney know ASAP if you'd like a spot.

SATURDAY, SEPTEMBER 5 TO THE CONEY
ISLAND DEPTH: 125 FT, STARTS AT 80 FT

The Coney Island was the first vessel sunk on the Shark River Reef.

As of 2007, the wreck is falling apart nicely. At the stern, the top of the superstructure is at 90 ft. The main deck is lower at about 110 ft, and the sand in the washout around the hull is at 125 ft.

Amidships, the large kingpost has fallen aft onto the deck, making hidey-holes for fish and lobsters.

If you wanted to, you could do a quick tour of the whole length of this wreck in one dive. Most of the superstructure and hull are easily penetrated through large openings, and viz this far offshore tends to be pretty good.

This wreck tends to be visited less often than the two stars of the Shark River Artificial Reef, the Algol and the Stolt. As a consequence, lobster hunting on the Coney Island can be very good

BEACH DIVE DIRECTORY

North Shore:

Bayville Barge, Bayville

The site is located off the beach in front of the Wall's Wharf restaurant in Bayville. Please be advised that we are not permitted to use the restaurant lot for parking. There is a lot at the north end of Eighth Street that is open to Bayville residents, or look for street parking. The barge can be found by taking a north heading from the chain link fence outside of the restaurant.

Cedar Beach, Mt. Sinai

The fishing pier is located at the West end of Harbor Beach Rd in Mt. Sinai. Follow this road past the basketball courts, parking lots, and marinas until you arrive at a smaller parking lot overlooking the boat channel. The dive site is underneath the fishing pier. Please be advised that parking meters are in effect in the summer season.

When conditions do not permit diving underneath the fishing pier, the beach next to the basketball court is another option, also located on Harbor Beach Road.

Horton Point, Southold

Take Lighthouse Road in Southold north to the end. Turn left into the parking lot for the Horton Point Lighthouse. If there is a gatekeeper, let them know you are scuba diving there with The Dive Club, and parking should be free. The site is down the staircase and straight into the water.

Pirate's Cove, Port Jefferson

The site is now called McAllister County Park. Take Anchorage Road in Port Jefferson to the end. There is a roundabout where gear can be dropped off and about 6 parking spots a small way up the road.

Roanoke Barges, Reeves Park

Take Sound Avenue and turn onto Park Road. The site is located at the north end of Park Road in Reeves Park. A four-wheel drive vehicle and beach permit is necessary to access this site, or it will be a long walk with dive gear. A few club members have volunteered to transport gear to the site for everyone in their 4WD. Meet at the end of Park Road at the scheduled time to coordinate "travel plans."

Rye Cliff Ferry, Sea Cliff

The site is located off Sea Cliff Beach. Navigate to The BLVD in Sea Cliff and look for street parking. The wreck is approximately 270 degrees out from the first small jetty on shore.

BEACH DIVE

DIRECTORY *CONTINUED*

Stehli Beach, Oyster Bay

Stehli Beach is located at the west end of Bayville Ave, before it turns into Bayville Road. Parking can be found in front of the bathhouse, where we will enter the water. Please be advised that this is an Oyster Bay town beach, so our diving here will be limited to early/late season only.

Secret Beach, Greenport

The site is located on North Road in Greenport where you will see a dirt road with chain link gates on the north side, make a left down this dirt road. If you are using a GPS or maps app, Inlet Pond County Park is close by. If you see the Eastern LI Kampground, you went too far!

Please be advised the dive site is located on private property. The club has received permission to dive here as long as a LIDA waiver is signed by all attending, and a divemaster is present.

Shoreham Jetties, Wading River

Take Sound Road to Creek Road and make a left. Follow Creek Road west to the end. Park on the left side of the wooden barrier in the small, square dirt lot. The right side is reserved for permit holding residents. The site is located at the end of Wading River where it empties out into the Long Island Sound. The idea here is to plan the dive with the tides so that we can enter the river from the parking lot and receive a lift with the outgoing tide. Then, execute the dive, and ride the incoming tide back in.

Submarine Base, New Suffolk

The site is located at the south end of Main Street in New Suffolk and there is street parking only. Use Case's Place Restaurant for GPS directions.

Theodore Roosevelt Fishing Pier, Oyster Bay

The site is located at the end of West End Ave in Bayville. For GPS directions, input Theodore Roosevelt Beach. Find the site by entering from the boat ramp and heading west until you hit the fishing pier.

U.S.S. Ohio, Greenport

The entrance to the beach is at the south end of Clark Street in Greenport. Street Parking can be found on Clark Street or the adjacent 4th Street. Enter the opening to the beach from Clark Street and follow the beach along to the right. There is a large iron pipe in the sand along with some other metal pieces. Take a compass heading of 120 degrees from there to find the wreck (debris).

BEACH DIVE

DIRECTORY *CONTINUED*

South Shore:

Beach 8th Street, Far Rockaway

The site is located at the south end of Beach 8th Street in Far Rockaway, Queens. Street parking is limited, but additional spots can be found on Beach 9th street, or near the basketball courts on Beach 10th Street. Do not park in the Rockaway Manor parking lot, as this is for nursing home residents only, but use this building as a GPS guideline if necessary.

HMS Culloden, Montauk

Take Soundview Drive until it turns into a dirt road and continue for another quarter mile or so until you see another unnamed dirt road. Take this road to the end and park. Parking is on the bluff that overlooks the water, so the staircase will lead you down to the dive site. The wreck is located 330 degrees from the large boulder on the beach.

Noyack Bay, Noyack

The site is located on the north side of Noyack-Long Beach Road. Proceed past Foster Memorial Beach and look for a spot to pull off on the north side of the road. The dive site is street-parking only.

Oak Beach, Babylon

The old Oak Beach Inn. A large parking lot on North Oak Beach Road. After going over the Robert Moses Bridge and the small draw bridge, turn right onto Ocean Parkway West. You will have to use a turnaround to get onto Ocean Parkway East, where you will then see the parking lot on your right. For GPS directions, use Oak Beach. The dive site can be accessed from the jetty on the east side of the parking lot, where we usually meet, but others may choose to dive the fishing pier located on the west side of the same parking lot.

Old Ponquogue Bridge, Hampton Bays

Proceed over the bridge on Lighthouse Road in Hampton Bays and turn left onto Dune Road. Immediately make another left and follow this road to the end. The dive site is under the Old Ponquogue Bridge. A parking permit is required, but you can also drop off your gear at the site, drive your car back over the bridge, park on the north side, and take a nice scenic walk back over.

Shinnecock County Park East, Southampton

The site is located at the west end of Meadow Lane in Southampton. Turn right onto Meadow Lane from Halsey Neck Ln and follow it to the end. The site is entered from the camping parking lot just beyond the entry booth. Please be advised there is an in-season and weekend fee to park for non-residents (\$7). Also, keep in mind this is an entirely different site than Shinnecock West, with an inlet in between the two.

July 2026
Volume 37, Issue 7

BEACH DIVE DIRECTORY *CONTINUED*

Shinnecock West, Hampton Bays

The site is located on Road H, at the east end of Dune Road in Hampton Bays. If you are familiar with the Ponquogue Bridge, continue straight down Dune Road instead of turning left into the parking lot. The dive site is the Shinnecock inlet, where we will enter on the ocean side where the jetty is.

Upstate NY

Minnewaska State Park Preserve, Ulster County

Within Minnewaska State Park, navigate to the visitor's center. The parking for the dive site is down a short road to the left of this building. You will have to stop by the visitor's center with your certification card and \$25 to dive for the day. Also, admission to the park is \$8 (typical of any New York State Park) or free with an empire pass.

& Beyond

Delaware River Water Gap, Pennsylvania

From I-80, exit onto Rt. 611 South. Follow 611 through town of Delaware Water Gap into Delaware Water Gap National Recreational Area. The parking area is at the bottom of the hill south of town on the right side. Pull off on the side of the road just before the road rounds the corner and the wall starts on the train tracks. Alternatively, there is a large parking lot on the other side of the road, but travel across the highway with dive gear at your own risk.

Manasquan River Railroad Bridge, New Jersey

Parking is close by and free, but the lot is not very large and sometimes fills up. A 7-11 store is across the road, and the dive site is adjacent to the Point Beach Yacht Club in Point Pleasant Beach, which you can use as a GPS landmark to get directions.

LIKE TO DIVE THE PONQUOGUE BRIDGE?

- Suffolk County residents can get the Marine Park permit for \$135 a year.
- The Marine Park Permit as well as other Southampton Beach permits are available to qualified individuals with documentation at www.southamptontownny.gov/BEACHPERMITS (or scan the QR).
- Supporting documentation must be submitted each year. Once your permit is approved, your credit card will be charged.
- Please allow 10-14 days for delivery via USPS mail.

LIABILITY RELEASE AND EXPRESS ASSUMPTION OF RISK

This is an important legal document. You may wish to consult an attorney prior to signing it.

This release may be used against you in a court of law if you sue any released person or party.

Please read carefully, **fill in all blanks and initial each paragraph before signing**. Incomplete forms will not be accepted.

I, _____, hereby affirm that I have been advised and thoroughly informed through my open water training of the inherent risks of skin and scuba diving.

- Further, I understand that diving with compressed air involves certain inherent risks; decompression sickness, embolism, or other hyperbaric injuries can occur that require treatment in a recompression chamber. I further understand that any trips of any kind (diving or non-diving), whether sponsored or not, by The Dive Club may be conducted at a site that is remote, either by time or distance or both, from such a recompression chamber. I still choose to proceed with such diving activities in spite of the absence of a recompression chamber in proximity to the dive site(s).
- I understand and agree that neither The Dive Club or any of their respective board members, officers, agents or assigns (hereinafter referred to as “Released Parties”), may be held liable or responsible in any way for any injury, death, or other damages to me or my family, heirs, or assigns that may occur as a result of my participation in any Dive Club activity, or as a result of negligence of any party, including the Released Parties, whether passive or active.
- In Consideration of being allowed to become a member of The Dive Club I hereby personally assume all risks in connection with diving or non-diving activity from any harm, injury or damage that may befall on me, including all risks connected therewith, whether foreseen or unforeseen.
- I further save and hold harmless said Dive Club and Released Parties from any claim or lawsuit by me, my family, estate, heirs, or assigns, arising out of my enrollment and participation in Club events including both claims arising during said event or after said event.
- I Further understand that skin diving and scuba diving are physically strenuous activities and that I will be exerting myself during any diving activity, and that if I am injured as a result of a heart attack, panic, hyperventilation, etc., that I expressly assume the risk of said injuries and that I will not hold the above listed individuals or companies responsible for the same.
- I further state that I am of lawful age and legally competent to sign this liability release, or that I have acquired the written consent of my parent or guardian.
- I acknowledge scuba diving is an activity that is done with a buddy. I will not make a solo dive during a Dive Club event unless I am certified to do so by an accredited training agency and I am equipped to make this dive safely.
- I understand that the terms herein are contractual and are not a mere recital, and that I have signed this document of my own free act.
- I acknowledge that The Dive Club does not provide buddies, gear, transportation, training, or professional advice pertaining to the sport of scuba diving. However, the dive sponsors will do their best to help club members find what they need for a dive by setting up email groups to allow individual club members to coordinate rides, buddies, and rental gear, if necessary.
- The Dive Club does not vet divers or make any determination about whether any diver is qualified to do any given dive. This decision is entirely up to the individual diver, as well as any external dive operator, such as a dive boat captain or resort operator. It is important to evaluate your current experience when making the decision to dive. If you only have experience diving in warm waters with optimal visibility, you should consider the additional challenges associated with northeast diving before making your decision. I expressly assume the risk of any injury or illness for **each and every** dive that I determine to make and hold harmless for the same the above listed companies and individuals.

- I acknowledge that for planned boat charters, the minimum certification and equipment requirements listed in our newsletter are the requirements of the boat captains. Please contact them directly if you have any questions about the suitability of a dive for you.
- I understand that DAN (Divers Alert Network) Insurance or other similar diving accident insurance policies are available to me if I choose to acquire this. I acknowledge that it is my own responsibility to educate myself on the available policies and choose the one, if any, that is appropriate for me. I understand that without this, I will be responsible for any medical bills or damages to my equipment that I incur.
- I recognize that I may receive false or misleading information from one or more club members or non-members pertaining to the relative difficulty of a dive or my ability to safely participate in or perform a dive. Additionally, I acknowledge that one or more club members or non-members may negligently approve of my dive plan, including preparation or intended dive plan, the condition of my equipment, my ability to use my equipment, or proper use of equipment. I understand and agree that **I am responsible for determining whether I am capable of executing** a dive safely, whether I have sufficient information regarding my own physical abilities and the intended dive to base this decision, as well as whether my equipment is in proper working condition and is sufficient for the intended dive. I release The Dive Club and all co-signers who by signing this waiver similarly release me from negligent acts or omissions of this nature.

IT IS THE INTENTION OF _____ BY THIS INSTRUMENT TO EXEMPT AND RELEASE THE DIVE CLUB, AND ALL RELATED ENTITIES AS DEFINED ABOVE, FROM ALL LIABILITY OR RESPONSIBILITY WHATSOEVER FOR PERSONAL INJURY, PROPERTY DAMAGE OR WRONGFUL DEATH HOWEVER CAUSED, INCLUDING, BUT NOT LIMITED TO, THE NEGLIGENCE OF THE RELEASED PARTIES, WHETHER PASSIVE OR ACTIVE.

I HAVE FULLY INFORMED MYSELF OF THE CONTENTS OF THIS LIABILITY RELEASE AND EXPRESS ASSUMPTION OF RISK BY READING IT BEFORE I SIGNED IT ON BEHALF OF MYSELF AND MY HEIRS.
