DIVER DOWN NEWS

Volume 35, Issue 10

President's Note – October 2024

I will only have 2 more President Notes for the club newsletter after this one. I will be stepping down as president at the end of the year. It has been an honor to be able to lead this incredible diving club. There are so many active members and I have enjoyed diving with many of you. I will of course continue diving as a club member. I just need time to focus on my family with 2 of my children getting married in 2025.

I am looking forward to new leadership to lead the club in some new directions. We have many great traditions like Death By Diving and our camping weekends but we should always be open to new ideas to add to our fun. If you are a current member of the club and want to take on a leadership role, nominations are open in the months of October and November. The elections will be held in December. Please think of stepping up to help run the club. You will not be alone. There are officers and committee members to help run the events.

One of our favorite events is just 2 weeks away. We will be holding our Underwater Pumpkin Diving contest on October 13th at Cedar Beach in Mt Sinai. This is a nice calm beach with a good sandy bottom for the carving to take place. The contest rules are in this newsletter. Your pumpkin should be hollowed out ahead of time. Don't forget a 5-8lb weight to hold your pumpkin down. They are very buoyant. Do not place any markings on your pumpkin before you enter the water. Good Luck to all who participate. This is open to all current club members.

The wreck diving has concluded for the year as well as the Oak Beach diving. Check the newsletter for the leaderboard winners. There are still 5 beach dives this season and the water is still warm. You can still add a few more pages to your log book.

The diving slows down in the winter but the meetings continue year-round. We are always looking for speakers to present at the monthly meetings. If you have been on a trip and have images to share or you have an interesting dive related topic to share, please let one of the officers know so you can be added to the speaker list.

We also plan a holiday party so watch your email for details.

Tiedemann's Diving Center has pool time available on Monday nights in Farmingdale, NY. This is a great place to practice your skills or try out new gear over the winter. There is also a trip planned to dive the springs in northern Florida January 8-12, 2025. All are welcome to join in the fun. See the website at TDOnline.com for details.

I hope to see many of you at our final 5 beach dives. Some of the sites are TBD and your ideas matter. If you have a favorite site, you would like added to the schedule, let me know and it will be done.

I will see you at the meeting on October 1st where I will be presenting images of my trip to Truk Lagoon. Hopefully, I see you underwater first.

Sincerely,

Mary Davis

Club President

The Dive Club
Presents

Mary Davis
Diving Truk
Lagoon

Join us at our upcoming meeting in welcoming Mary Davis, scuba diver, instructor, and our club president, who will be sharing about her trip to Truk Lagoon.

This unique destination, renowned for its stunning underwater landscapes and historical significance, offers an unparalleled diving experience that combines natural beauty with a deep sense of history.

Mary will take us on a journey through Truk Lagoon through underwater photography and videos that capture the beauty and mystery of this incredible dive destination.

Known for its crystal-clear waters and vibrant marine life, Truk Lagoon is also home to an astonishing array of shipwrecks from World War II.

These sunken relics, often referred to as the "Ghost Fleet of Truk Lagoon," provide a haunting yet captivating glimpse into the past.

MEETING MINUTES

September 10, 2024

- 🐟 8 PM: Mary calls meeting to order
- 🐟 In attendance: At start of meeting 10 members, by end of meeting, 16 members were present
- 🐟 Beach 8th street this past weekend was the club dive it was a nice 4 feet of visibility and 70°
- 🐟 Minutes from August's meeting were approved.
- 🐟 New Members: One new member recognized and introduced, Kayla Arbuckle.
- 🐟 Membership Renewal: Renewals will start in October. Bill will be sending out email with instructions.
- 🐟 Dive of Sunday September 8 was discussed when due to conditions, dive was moved to Old Ponquoque Bridge.
- 🐟 Next Beach dive was scheduled at this time for Sunday September 15 at 9:30 am at Secret Beach. Mary reminded those present that LIDA waiver must be completed before diving. If a waiver was previously filed this year a new one is not required.
- 🐟 Pumpkin carving contest: Will be held on October 13th at Cedar Beach, Mt. Sinai Beach. Rules and process were discussed. Hopefully, there will be a barbeque if someone can bring a grill. Dives will be conducted from the beach area. It was disclosed that the area near the fishing pier is no longer good for diving due to the installation of large rocks and boulders which restrict access to the water.
- 🐟 Death By Diving Dinner; Possible date- Second Tuesday in November. Dependent on determining a site for dinner and if winners can make it that day.
- 🐟 Wreck Diving- Last wreck dive of the season was on Halftime on Sunday September 8. It was a rough ride and after reaching the Oregon it was decided that condition were unsafe so the dive was moved to the Mandy Ray, which being closer to shore had better conditions.
- 🐟 Additional note on the Halftime- The Halftime will up for sale, so we may be losing another local dive boat. The owner will first be putting it up for sale as a dive boat. If there are no takers, he will then be willing to sell it to anyone. If however, he does not sell the boat by the start of the 2025 dive season, he will start to book dive charters for next year. If the Halftime is lost for diving, the only local dive boats will be the Sea Turtle and the Side Kick. This may require us to make more dives out of New Jersey (The Gypsy Blood, etc.).
- 🐟 Regarding the Side Kick, Barry did have a group dive the railcars from the Side Kick on August 24th.

MEETING MINUTES

September 10, 2024 (con't)

- 🐟 Oak Beach Diving will continue as long as people are interested in showing up, possibly into October, but Wednesday dives will only be counted for the leader board through September 18th.
- 🐟 Past/Recent trips: Jim presented on 1,000 Islands trip. Poker run was going on at the same time so there were many high performance boats on the water. Conditions were good with moderate currents and 72 degree water temps.
- 🐟 Rhode Island: turn out was light with only three people participating in the camping/diving.
- 🐟 Holiday Party: possible Halloween party in lieu of holiday party. Mary will follow up with John and Courtney.
- 🐟 Mary will be stepping down as president. Not sure if anyone else will be stepping down to create other vacancies for officers. Nominations for officers will open in October. Mary is encouraging others to step up, especially younger members.
- 🐟 Regarding Club's finances, the Club IS solvent.
- 🐟 October guest speaker will be Mary, presenting on the trip to Truk Lagoon.
- 🐟 In the absence of a guest speaker at the meeting, Glen spoke about diving on Shelter Island at Fresh Pond Lake. He will try to get some arrangement to allow us to park and dive at the site.
- 🐟 Barry updated us on some LIDA info:
 - 🐟 The 2025 LIDA film festival will be moved to the Fall instead of the usual January/February date. He will advise us when a decision is reached.
 - 🐟 Secret Beach and the Ponquoque Bridge are still available to dive.
 - 🐟 LIDA is still working with Rob on eel gras project. It is estimated that 100,000 seeds were collected
 - 🐟 Mary briefly discussed camping weekends which occurred this year, Memorial Day and Death By Diving
 - 🐟 Bill discussed ongoing plans to sink a few more wrecks, but more manpower is needed (volunteers) to assist in this.
 - 🐟 No 50/50 at this meeting due to low attendance.
 - 🐟 9:10 PM: Meeting was adjourned

**Sunday, October 6, 2024
2:00 – 4:00 PM**

The New Jersey Shipwreck Museum at InfoAge announces the unveiling of our newly restored U.S. Coast Guard beach cart circa 1930.

The effort took two years and was funded through various sources which included donations of not only money, but through volunteer efforts and donations of materials such as fasteners and rope.

The unveiling will take place from 2 to 4 pm on Sunday, October 6, in Building 9034 - the future home of the New Jersey Shipwreck Museum at InfoAge.

Light refreshments will be available. The shipwreck museum is located in the InfoAge Science and History Museums on 2201 Marconi Road, Wall, NJ.

Admission to InfoAge is \$12 for adults and \$8 for children. No RSVP required.

The “beach cart” refers to a piece of equipment used by the United States Life-Saving Service and later by the early United States Coast Guard for land-based near-shore rescue operations. The cart would be used to move vital life-saving equipment from a nearby station to a wreck site up to several miles away - all moved by manpower and later by truck after the invention of the internal combustion engine. The cart included all of the equipment needed to rig and operate a breeches buoy apparatus or the metallic life car (also on exhibit), which was the means by which rescuers on a beach could evacuate shipwreck survivors from the ship to shore.

During the event, we will discuss how the cart was acquired and restored. It's a very interesting story that shows the cleverness and ingenuity of our volunteer staff and supporters. Donations are always welcomed.

LIABILITY RELEASE AND EXPRESS ASSUMPTION OF RISK

This is an important legal document. You may wish to consult an attorney prior to signing it.

This release may be used against you in a court of law if you sue any released person or party.

Please read carefully, **fill in all blanks and initial each paragraph before signing**. Incomplete forms will not be accepted.

I, _____, hereby affirm that I have been advised and thoroughly informed through my open water training of the inherent risks of skin and scuba diving.

- Further, I understand that diving with compressed air involves certain inherent risks; decompression sickness, embolism, or other hyperbaric injuries can occur that require treatment in a recompression chamber. I further understand that any trips of any kind (diving or non-diving), whether sponsored or not, by The Dive Club may be conducted at a site that is remote, either by time or distance or both, from such a recompression chamber. I still choose to proceed with such diving activities in spite of the absence of a recompression chamber in proximity to the dive site(s).
- I understand and agree that neither The Dive Club or any of their respective board members, officers, agents or assigns (hereinafter referred to as “Released Parties”), may be held liable or responsible in any way for any injury, death, or other damages to me or my family, heirs, or assigns that may occur as a result of my participation in any Dive Club activity, or as a result of negligence of any party, including the Released Parties, whether passive or active.
- In consideration of being allowed to become a member of The Dive Club I hereby personally assume all risks in connection with diving or non-diving activity from any harm, injury or damage that may befall on me, including all risks connected therewith, whether foreseen or unforeseen.
- I further save and hold harmless said Dive Club and Released Parties from any claim or lawsuit by me, my family, estate, heirs, or assigns, arising out of my enrollment and participation in Club events including both claims arising during said event or after said event.
- I further understand that skin diving and scuba diving are physically strenuous activities and that I will be exerting myself during any diving activity, and that if I am injured as a result of a heart attack, panic, hyperventilation, etc., that I expressly assume the risk of said injuries and that I will not hold the above listed individuals or companies responsible for the same.
- I further state that I am of lawful age and legally competent to sign this liability release, or that I have acquired the written consent of my parent or guardian.
- I acknowledge scuba diving is an activity that is done with a buddy. I will not make a solo dive during a Dive Club event unless I am certified to do so by an accredited training agency and am equipped to make this dive safely.
- I understand that the terms herein are contractual and are not a mere recital, and that I have signed this document of my own free act.
- I acknowledge that The Dive Club does not provide buddies, gear, transportation, training, or professional advice pertaining to the sport of scuba diving. However, the dive sponsors will do their best to help club members find what they need for a dive by setting up email groups to allow individual club members to coordinate rides, buddies, and rental gear, if necessary.
- The Dive Club does not vet divers or make any determination about whether any diver is qualified to do any given dive. This decision is entirely up to the individual diver, as well as any external dive operator, such as a dive boat captain or resort operator. It is important to evaluate your current experience when making the decision to dive. If you only have experience diving in warm waters with optimal visibility, you should consider the additional challenges associated with northeast diving before making your decision. I expressly assume the risk of any injury or illness for **each and every** dive that I determine to make and hold harmless for the same the above listed companies and individuals.

- I acknowledge that for planned boat charters, the minimum certification and equipment requirements listed in our newsletter are the requirements of the boat captains. Please contact them directly if you have any questions about the suitability of a dive for you.
- I understand that DAN (Divers Alert Network) Insurance or other similar diving accident insurance policies are available to me if I choose to acquire this. I acknowledge that it is my own responsibility to educate myself on the available policies and choose the one, if any, that is appropriate for me. I understand that without this, I will be responsible for any medical bills or damages to my equipment that I incur.
- I recognize that I may receive false or misleading information from one or more club members or non-members pertaining to the relative difficulty of a dive or my ability to safely participate in or perform a dive. Additionally, I acknowledge that one or more club members or non-members may negligently approve of my dive plan, including preparation or intended dive plan, the condition of my equipment, my ability to use my equipment, or proper use of equipment. I understand and agree that **I am responsible for determining whether I am capable of executing** a dive safely, whether I have sufficient information regarding my own physical abilities and the intended dive to base this decision, as well as whether my equipment is in proper working condition and is sufficient for the intended dive. I release The Dive Club and all co-signers who by signing this waiver similarly release me from negligent acts or omissions of this nature.

IT IS THE INTENTION OF _____ BY THIS INSTRUMENT TO EXEMPT AND RELEASE THE DIVE CLUB, AND ALL RELATED ENTITIES AS DEFINED ABOVE, FROM ALL LIABILITY OR RESPONSIBILITY WHATSOEVER FOR PERSONAL INJURY, PROPERTY DAMAGE OR WRONGFUL DEATH HOWEVER CAUSED, INCLUDING, BUT NOT LIMITED TO, THE NEGLIGENCE OF THE RELEASED PARTIES, WHETHER PASSIVE OR ACTIVE.

I HAVE FULLY INFORMED MYSELF OF THE CONTENTS OF THIS LIABILITY RELEASE AND EXPRESS ASSUMPTION OF RISK BY READING IT BEFORE I SIGNED IT ON BEHALF OF MYSELF AND MY HEIRS.
