evidence.**

**Book A structured 2–3 day Mock Operational Quality & Risk
Review aligned to the CQC Single Assessment Framework.**

The New Ways of Working Quality Statements:

**These are central to the CQC's
new assessment framework,
which has replaced the
previous Key Lines of Enquiry
(KLOEs). They define what
“Good Care” looks like and
form the basis on which care
homes are now assessed.**

What sets us apart?

- **We work with you
not above or around you.**
- **We focus on people,
not just paperwork.**
- **We help you create lasting
improvements - not quick
fixes.**
