Dearest Columbia University President, **Nemat (Minouche) Shafik**,

Please scrutinize the attached documents, with your expertise, you'll see the significance, and if not, think about over 100 buildings just like mine and see where your mind goes.

Please ensure the following Action Items are guaranteed to me—by, from and through Columbia University—no later than 17 MAY 2024.

Action Items

(1-6) Pertain to me, my entire family, those students from the Arbor whose names are listed on the letter in my DS Packet, all ADA/DS Students, all Military Veteran & First Responders/GS Students, all Columbia University (CU) Students who have suffered any legally proven grievance caused by CU).

1. Guaranteed—lifetime—full-spectrum medical coverage.
2. Guaranteed—lifetime—full-spectrum academic resources, and enrollment in all classes and schools, for all of my remaining and future academic endeavors at Columbia University, both undergraduate and beyond.
3. Guaranteed—lifetime—full-spectrum academic resources for all of my remaining and future academic endeavors or life-goals, regardless of the institution, program, or goal.
4. Guaranteed—lifetime—full-spectrum Columbia University Housing, at and within any residence of my choice—owned/managed/occupied/associated with Columbia University, and full-spectrum housing anywhere in the world.
5. Guaranteed—lifetime—full-spectrum worldwide transportation.
6. Refund all housing costs, tuition, and any fees associated with attending CU in its entirety.

(7-11) Pertains specifically to me (Javon Terell Ross).

7. Remove all holds on my Columbia University accounts.
8. Remove my account from all collection agencies.
9. Restore my credit rating.
10. Cease and desist with all retaliatory actions.
11. Cut me a Good Faith offering check, in any amount you deem reasonable enough to cover the out-of-pocket expenses my friends and family, as well as myself have incurred since my arrival in May

2019, and will incur until we reach absolute resolve.

Again—in the Spirit of Meekness—you are again amicably asked to acquiesce, to accept and appreciate this correspondence as an invitation of opportunity for you to take appropriate appropriative action in appropriating an appropriated amount of damage control appropriations, with appropriateness.

Most appropriately appreciated,

Javon T. Ross
