

POSITIVE TRAINING TRACKING WORKSHOP

Presented by Jane Bradley*

Sunday, November 17 or November 24, 2019

9:00 AM – 12:00 Noon or 1:00-4:00 PM

Rain or Shine

Does your dog have a good nose and like to follow scents? Ever wanted to train your dog for search and rescue? This workshop will lay the fundamentals of training to earn an AKC TD (Tracking Dog) Title and continue on to more advanced levels.

The Workshop will include how to start your dog in tracking. Each dog will start working and the rest of the teams will observe and you will learn how to lay tracks for yourself or friends.

You will receive a tracking starter kit consisting of items used in the workshop for you to continue your work at home.

Prior to the Workshop: Read the AKC Tracking Regulations for TD/TDU tests at www.akc.org or purchase a copy through the AKC store.

Items to Bring to the Workshop: Chair, water, bowls, your dog's favorite toys and/or soft treats, a buckle collar or tracking harness, leash and crate/shade for your dog.

Workshop Address: 647 Butts Mill Road, Pine Mountain, GA 31822 (Valley Veterinary Associates).

Cost: \$90.00 per team**
