## INSTRUCTIONS

Handlers whose dogs measure into the 8' through 20' regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24' regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine Partners Program<sup>SM</sup> may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All-American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-6767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?

## CLASS CHANGES EFFECTIVE JANUARY 1, 2020

### FOR EXHIBITION ONLY (FEO)

As of Jan 1, 2020, For Exhibition Only may be offered at the option of the host club. FEO will be offered on a one year pilot basis in order to give AKC time to evaluate its impact. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying.

FEO runs are treated as trial entries. The exhibitor must enter the class(es) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the Entry form. The handler will declare the day of the trial.

Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO at the start line.

**Day of show jump height changes are not allowed.**

Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of trial level changes are not allowed.

Toys are allowed in the ring.

Toys must be non-audible

Toys may not leave the handler's hand

Toys that roll freely cannot be used

Food/Treats are not allowed in the ring.

FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and/or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.

A judge must monitor the entire run. A judge can stop a run at any time. The judge and ring crew must remain in the ring during an FEO run.

### FIX AND GO ON (FNG)

**As of January 1, 2020, clubs holding agility trials will be required to offer Fix and Go On for all classes.**

Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered, rather it occurs during the course of the run.

### MULTIPLE JUMP HEIGHTS WITHIN THE SAME TRIAL DAY

**As of January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend.**

Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master Std/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

\*\*\*

**A separate entry form must be submitted when the same dog is being entered in a Mixture of Regular and Preferred and/or different jump heights within the same Trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.**
