

FDLCKC – June 2025 AKC Scent Work Trial

****Waitlist****

The following information is current as of 06/11/2025, 4:30 PM CST.

Please keep watch as I will be updating periodically.

Note to Exhibitors

Thank you for sending in your entries for the June FDLCKC Scent Work Trial!

The following page reflects our current trial waitlist. Please locate your name on the left and then follow the columns to determine where you are in queue for each element. The number shown beneath the element is your position in line for move up. Example: If there is an opening created in Saturday Containers.....Bayla's entry (#1) would be activated first....followed by Winter (#2), etc.

As you are removed from the waitlist and go to active status, you will receive a new confirmation of entries via email. Then, your spot on this report will be marked "active".

Please review all confirmations you receive for accuracy! Contact Kathy Metke at kmetke0101@gmail.com to report any errors!

Due to the recent judge changes, openings for classes in the elements which are split between judges will be taken on a first come first served basis for the assigned judge. This impacts the Saturday buried and Sunday Interiors and Buried.
