Crypto Film Coin

Crypto Film Coin is a cryptocurrency token for film/entertainment financing and consumer platform dedicated to the entertainment industry, movies, Film festivals, consumers, and the filmmakers who create them.

Crypto Film Coin is also a network of organizations teaming up to produce the projects that move and entertain our communities. Crypto Film Coin allows filmmakers from around the world to develop, produce, finance, and distribute their projects using the power of the crypto community via our **One Global Management, Trending Media & Technology**, conglomerates and affiliates.

Crypto Film Coin is also used by viewers to redeem and pay for subscription-based models, access/Pay-per-view options and access to all the Trending Entertainment has to offer.

GOLD BACKED TREND COIN

Backed by GOLD,
as well as other commodities

TREND COIN

TREND COIN is decentralized from Pioneers. This disruptive spirit continues through the TRENDPAY Ambassador Program, an initiative that enables the community to mobilize their utilities-building efforts for self-gains.

By collaborating as Trendbassadors via TRENDPIRE platforms, Trendbassadors will redeem a revenue share of currency!
