## *Texture Maps*

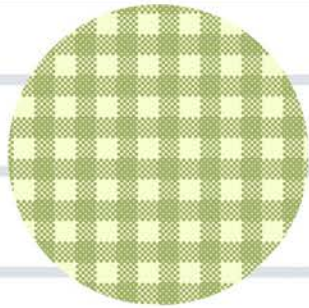

*For interiors, I wanted to focus on cozy corners, the spaces in a home where you can curl up with some yarn and spend the day crocheting.*

*Tights have long been a favorite accessory of mine. I believe patterned tights have a bright future ahead of them.*

*Finding the perfect pair of shoes is a lifelong quest. My hope is that this satisfies someone's adventure.*

*As a collector of matching sleepwear sets, this render was a gift to myself.*
