## **VDBIA Welcomes Year of the Dragon to Victoria Drive**

Thanks to the hundreds of local and outside South Vancouver residents who stopped on Victoria Drive and won prizes during our Lunar New Year celebrations. Thanks to all the local businesses who helped with raffle prizes or participated in the lion dance "Picking the Greens". Thanks also to our special guests for sharing their greetings, sponsors for their unique ways of support, media for providing free marketing of the event, and volunteers from our community partner, South Vancouver Neighbourhood House, for their indispensable support.
