BUDGET 2024

Fairness for Every Generation

The 2024 federal budget is the government's plan to build more homes, faster, help make life cost less, and grow the economy in a way that helps every generation get ahead.

Solving the Housing Crisis: Canada's Housing Plan

Unlocking 3.87 million net new homes by 2031, to ensure everyone can find an affordable place to call home. And, we're making it easier to rent while saving for that first home.

Fairness for younger generations

The government is helping restore fairness for Millennials and Gen Z by making education, housing, and the everyday costs of living more affordable.

- [Increasing student grants and loans to keep up with the costs of an education](#)
- [Launching a new Youth Mental Health Fund for access to support they need](#)
- [Providing job placement and employment support opportunities through the Youth Employment and Skills Strategy](#)
